The Voluntary Sector Jeremy Kendall, 2004-02-24 A short introduction to the UK's voluntary sector this book considers its scope scale structure and impact and uses an international comparative approach to place it in perspective

Management, Social Work and Change Elizabeth Harlow, John Lawler, 2018-02-05 This title was first published in 2000 This text focuses on developments in social work and its management In doing so it is of necessity multi disciplinary research and literature from the fields of management organization and social policy as well as social work are drawn upon The major theme of the book is change which paradoxically appears to be the major constant Change is everywhere and living with change is part of the modern condition As the various transformations of social work are articulated their influence becomes apparent Each process will constitute a theme around which the content of this book is introduced Although these processes are interdependent each will be dealt with in turn

Feminist Perspectives on Disability Barbara Fawcett, 2018-10-08 Feminist Perspectives on Disability provides a unique introduction to the key debates in relation to both feminism and disability The author considers contemporary similarities differences and contentious areas and how concepts drawn from postmodern feminism can be usefully applied to the disability arena The book explores many important aspects of the field including biological debates issues of power knowledge equality difference subjectivity and the body interface of public and private care and community medical and social barriers politics citizenship and identity Feminist Perspectives on Disability will be compulsory reading for students of all levels in Women's Studies Gender Relations Social Policy Social Work Social Care and social Science

A Hospice in Change Martin Lipscomb, 2013-10-15 A Hospice in Change Applied Social Realist Theory reports upon a study into aspects of the ways in which structural and organisational developments professional cultures and bedside or patient focused clinical practice interact within a single UK institution While the findings of this study are time and context specific the events and social processes being described may nonetheless resonate closely with the experience of healthcare practitioners at other hospices both within and without the UK The work examines themes and ideas that hospice and palliative care practitioners as well as those involved or interested more broadly in end of life issues may find relevant It is argued that differential morphogenesis can be identified between structures social and cultural and agents individual and group at an independent healthcare charity in southern England A Hospice in Change connects theory and philosophy with concrete research practice to provide a worked example of Margaret Archer's realist social theory

Blair's Community Sarah Hale, 2006 Blair's Community is an exciting and timely book which challenges the accepted wisdom about the role of communitarian thought in the development of New Labour under Tony Blair From the mid 1990s there has been a widespread view that Labour policies have reflected or even been influenced by the work of communitarian writers like Amitai Etzioni and John Macmurray and philosophers such as Alasdair MacIntyre and Michael Sandel
