that owners have for a personally accountable system of governance It describes the essential difference between true democracy and pure democracy It includes a brief commentary on a parallel universe namely the American system of representative democracy and the monumental problems which need to be addressed It informs the members of their association regarding the importance of Roberts Rules of Order as an inclusion in their Bylaws It allows the voice of the minority to be heard and requires that the decision of the majority be acknowledged contrarily it allows the silence of the members to be the equivalent of consent without a vote It requires that the chairperson of a meeting of an association conduct a meeting in an orderly manner and insist that the voters be mutually respectful with the liberal use of a gavel It declares that the chairperson must remain impartial at all times by not expressing an opinion on a motion thereby compromising a vote
