

The background of the book cover is a grainy, black and white photograph of a city street after a conflict. In the foreground, there is a large, dark, irregular object, possibly a piece of debris or a damaged vehicle. To the left, a red and white striped traffic cone or barrel is visible. In the middle ground, there are several damaged buildings, some with missing windows and crumbling facades. A few figures can be seen in the distance, and the overall atmosphere is one of desolation and the aftermath of violence.
