Borderline Vincent Vargas, 2023-11-14. An inside look at the U.S. Mexico border through the eyes of former U.S. Border Patrol agent Vincent Vargas who served in Iraq and Afghanistan with the U.S. Army's 75th Ranger Regiment. Featuring a Foreword by 1 New York Times bestselling author Jocko Willink. The U.S. Mexico border stretches nearly two thousand miles and is protected by a thin line of overworked and underfunded U.S. Border Patrol Agents who risk their lives every day. They are stigmatized in the media and fought over in the halls of Washington D.C. and Borderline shares their story, the truth of what is really happening on the U.S. Mexico border. The story begins on the battlefields of the Middle East and culminates on the southwest border of the United States where Vargas was tasked with protecting his country, his fellow agents and the immigrants caught in the middle. He learned firsthand about the unforgiving brutality of the cartels, human traffickers and the desert. After bearing witness to the carnage, Vargas made the decision to join the Border Patrol's elite search and rescue unit called BORSTAR. With almost unfettered access, Vargas provides an in-depth, never before seen look into the U.S. Border Patrol from the agency's origins to its present day missions.

han aplicado o dirigido a la población inmigrante indocumentada de México El estudio de esta problemática no es un asunto menor si tomamos en cuenta que los Estados Unidos tienen la mayor población inmigrante en el mundo Budiman 2020 y que durante gran parte de la historia de ese país particularmente en las últimas cuatro décadas la migración procedente de México ha sido uno de los más constantes flujos de población Asimismo este fenómeno está sujeto a condiciones muy particulares como la vecindad geográfica entre el país de origen y el de destino la complicada historia compartida de tensiones políticas y asimetrías sociales y económicas Cabe destacar también el peso de su demografía que hoy en día constituye la mayor población inmigrante por grupo étnico nacional
