MUTUALIDAD por DISEÑO Elizabeth Beyer, Lynne Nelson, 2024-08-19

Se han escrito numerosos libros sobre el matrimonio cristiano pero la mayoría da por hecho que la Biblia sitúa al hombre en un papel de superioridad mientras que a la mujer se le otorga un papel de sometimiento y sumisión Sin embargo existe una mejor manera Y no solo es más saludable para las familias también es mucho más fiel a lo establecido por la Biblia La Biblia proyecta una visión del matrimonio en la que hombres y mujeres comparten las tareas de liderazgo y servicio como iguales Este libro explora esa visión Mutualidad por diseño se divide en tres secciones La primera En el principio brinda una base bíblica para la mutualidad en el matrimonio La segunda Tuercas y tornillos aborda los pilares fundamentales para desarrollar un matrimonio fuerte y toca puntos como cómo la amistad y la intimidad pueden construirse elementos clave para una buena comunicación la diferencia entre perdón y reconciliación y cómo construir una base financieramente estable La sección final Qué pasa con examina tres áreas que han sido temas complicados dentro de la Iglesia la autoridad el abuso doméstico y el divorcio Este libro se dirige a quienes piensan en contraer matrimonio a los comprometidos a los recién casados y a cualquier pareja que en general busque un crecimiento positivo para su relación Los capítulos incluyen preguntas para debatir ejercicios y sugerencias de lecturas complementarias

At the beginning of creation God made them male and female Because of this a man should leave his father and mother and be joined together with his wife and the two will be one flesh So they are no longer two but one flesh Mark 10 6 8 CEB Marriage It's been around for millennia so what more can be said that hasn't already been said Many books on Christian marriage have been written but most assume that the Bible puts men in a leadership role while women are to be submissive But there's a better way Not only is it healthier for families but it's more faithful to the Bible The Bible casts a vision of marriage where men and women co-lead and co-serve as equal partners This book explores that vision Mutual by Design is divided into three sections The first section In the Beginning provides a biblical foundation for mutuality in marriage The second section Nuts the key elements of good communication the difference between forgiveness and reconciliation and building a stable foundation financially The final section What About examines three areas that have been difficult topics in the church headship abuse and divorce The content of these three chapters are included in this book in the hope that they will bring clarity to issues that have been confusing in the church This book is for those considering marriage those already engaged newlyweds and any couple seeking to improve their relationship The book can be used for individual couples or groups Chapters include discussion questions exercises and suggestions for further reading

The Six Nuggets to Building a Strong Marriage Tinashe Chitambira, Naomi Chitambira, 2011-01 Today marriage has been constructed and projected differently from what God intended Marriage has been made to represent selfishness not sharing individualism not community hatred not love profit not sacrifice and infidelity not faithfulness These images constantly bombard our lives through an ever encroaching media Family and marriage have not been spared in this onslaught resulting in the further reversal of values in our society It has tried to empty marriage of its sacredness by redefining marriage as an unsustainable and unnecessary institution Tinashe and Naomi have stepped out with courage and boldness to hold onto and believe in a lifestyle that transcends this world view on marriage breaking the bonds of culture to base their marriage on biblical values The book is sincere it is about a couple living in a real world where marriages are under extreme pressure and have many competing fronts Through The Six Nuggets to Building a Strong Marriage they share their personal experiences and reveal how you can rediscover God's intention for your marriage Marriage that overlooks the importance of communication is bound to suffer Committing to love the other person as they are will enable you to sail through the storms of life together Greater connectivity in a couple's life can be used powerfully to harness and nurture the love in their marriage Is your career or job more visible than your spouse and children If your answer is yes then you need to refocus your energy on what is important Faith strengthens love in the face of adversity and sees beyond the status quo Friendship is the backbone of marriage For love's greatest joy is to be in the presence of the loved one Tinashe and Naomi minister to marriages through a fellowship of married couples in southern Africa They are passionate about the institution of marriage and family The central theme of their message is the transformation of marriage and family beyond our traditions and culture into what God intends it to be They are blessed with three lovely children Mietani Rhulani and Litsako
