**Diario de un activista (vegano)** Óscar L. Sánchez, 2020-10-29 Te has preguntado alguna vez qué es el veganismo? El veganismo es comprender que existe una injusticia y rechazarla. Convivimos con perros y gatos y nos despiertan ternura los videos de algunos animales que podemos encontrar por internet pero cuál es en realidad nuestra relación con la mayoría de animales? Lo más habitual es que nos los comamos o los usemos para vestirnos que compremos productos cosméticos que han sido testados en ellos, montemos a caballo o vayamos a zoos, acuarios. Lo cierto es que la sociedad ha normalizado tanto el uso de animales no humanos para nuestro beneficio que no los vemos como víctimas de ninguna injusticia pero el uso que hacemos de ellos es un acto moralmente aceptable. En este libro Oscar L. Sánchez nos propone reflexionar sobre la relación que tenemos con los animales no humanos y además nos muestra desde dentro cómo son las vigiliacubos rescates o irrupciones para conocer en primera persona algunas de las acciones que llevan a cabo los activistas por la liberación animal. Libro benéfico con la Fundación El Hogar Animal Sanctuary.

**Teaching the Language Arts** Cathy Collins Block, 2001 This book explains and demonstrates with a clear step by step approach how communication and thinking competencies can be enhanced through instruction. This revision elaborates further on a language arts program built to focus on the needs of individual students. Each of the fourteen chapters is divided into three sections covering theoretical foundations, practice and professional development, giving the text a practical, usable organization. The second and third sections apply the principles from the first section to the classroom. Features in these sections show specific teaching strategies that offer practical ideas for teachers to develop an ongoing and successful teaching repertoire. For Language Arts teachers.
