Consideration starring a franchise Hollywood actress aims to prove her chops in a theatrical production directed by her ex, whose heart she broke a decade earlier. Hollywood actor Tess Gardner is not the kind of famous she set out to be. She's ready to show she's more than Princess Platinum of the *Vindicators* series: a pretty face with CGI superpowers that literally sparkle. Tess wants to prove herself as an actor, and that means theatre: the true calling of her thespian heart. But just when Tess lands a part working with an acclaimed stage director, a brewing scandal forces him out. His replacement? None other than hip, buzzy director Rebecca Frisch. The same Rebecca Frisch whose heart a firmly closeted Tess broke over a decade ago during summer stock. As Tess wrestles with her lingering guilt and attraction to Rebecca, she also finds herself struggling to rein in her superstar status backstage. When things unexpectedly reignite with Rebecca, Tess bristles even more against the walls of her A-list life. Since the industry's made it clear that girl-next-door superheroes can't also be gay, coming out isn't realistic for Tess. And ultimately, Rebecca will head back to New York and likely seek out a less complicated relationship anyway. Will the curtain close on her chance for happiness, or will Tess finally take a leading role in her own life? **Social Media Marketing Essentials** Virversity Online Courses, 2025-05-29 Social Media Marketing Essentials is a comprehensive online course designed to equip students with the knowledge and skills needed to effectively promote brands and engage audiences across major social media platforms.
