embrace the notion that that everyone sells and anyone can sell better especially when the idea you re selling is you And once you believe in you the rest of the world will too      *Strategies for Brandy Melville to Address the Brand Value Issues of Exclusiveness, Gender and Race Discrimination* Julien Brühl, 2022-02-28 Seminar paper from the year 2021 in the subject Communications Public Relations Advertising Marketing Social Media grade 7 6 University of Amsterdam language English abstract The paper deals with the well known clothing company Brandy Melville BM and its future On the one hand the label is relatively trendy in younger age groups and the concept of one size fits all is unique compared to competitors in the segment On the other hand several news reports and equality advocates opened an ongoing controversy regarding its exclusive brand culture and stereotypical representations of women Nowadays information spreads extensively fast So this is a sincere legitimacy crisis for BM Since the research is here to support the client BM from the trouble they met in their growth trajectory the paper has developed both strategies and actions with the help of a literature analysis      **The Impact of Instagram Micro-Influencers on the Buying Decision of Generation Z towards Fitness Products** , 2022-11-15 Bachelor Thesis from the year 2020 in the subject Business economics Offline Marketing and Online Marketing grade 2 0 Reutlingen University ESB Business School language English abstract With fitness being a huge topic over the last couple of years many fitness brands started collaborating with fitness influencers on social media platforms Especially micro influencers on Instagram have gained attention in the previous years since they show high engagement rates and are perceived as credible sources of information Particularly for young consumers micro influencer marketing has turned out to be an effective and contemporary brand communication strategy The present bachelor thesis gives an overview of the effects of Instagram micro influencers on the buying decision Here the impact on Generation Z towards fitness products was examined with an extensive literature review and a quantitative study in the form of an online survey With the results of the study insights on the relationship between fitness related micro influencers and Generation Z s buying decision could be gained Although social media and fitness related micro influencers play an essential part in the worldwide growth of the fitness industry there is a dearth of research about their relationship with the buying decision of consumers Especially for product managers in the health and fitness industry it can be beneficial to understand these connections to better leverage influencer dynamics in their social media strategies Moreover there is a lack of studies focussing on the implications of these micro influencers on Generation Z specifically Generation Z consumers are the most digital and most reliant in terms of influencer recommendations As emerging adults in their developmental stage they can still be influenced in terms of their fitness habits Therefore brands and businesses in the fitness sectors can profit from understanding their buying behavior which allows them to adapt their influencer marketing campaigns accordingly Finally it cannot be disregarded that fitness is an issue that people will always be concerned with since it strongly affects their well being Against this background this study aims to approach the following research question How do micro influencers on Instagram affect the purchasing

decision of Generation Z towards fitness products      **Instagram Power, Second Edition: Build Your Brand and Reach More Customers with Visual Influence** Jason Miles, 2019-03-08 Publisher's Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product The essential guide to marketing and building your business on Instagram today's hottest social media platform While other social sites are declining in popularity Instagram is hotter than ever and shows no signs of cooling off any time soon But it's not just users that are flocking to the site marketers love it too With more features and marketing capabilities than ever Instagram is a channel that smart marketers can't afford to avoid Filled with proven strategies from leading Instagram experts this updated edition of Instagram Power walks you through the steps of setting up your account actionable monetization methods you can use and how to integrate the social media platform into your complete marketing approach With 15 new chapter subsections and revisions throughout the book shows you how to leverage all the new features including Insights IGTV Shopable Posts Stories and Instagram Ads You'll discover how to Leverage Instagram to build and strengthen your business or personal brand Design an effective marketing plan for the platform Sell directly on Instagram with Shopable posts Avoid common pitfalls and much more If you're serious about marketing you need to tap into the power of the world's most popular photo sharing platform This guide offers a road map to achieving Instagram marketing success

Influencer Advertising versus Traditional Advertising, 2021-07-21 Master's Thesis from the year 2020 in the subject Communications Public Relations Advertising Marketing Social Media grade 1.0 Klagenfurt University language English abstract In the field of marketing influencer promotions evolved to an established strategy to spread awareness about brands and to target potential customers Especially the beauty industry utilizes the strategic communication approaches through the embeddedness of products into the creative content of influencers in order to persuade consumers The purpose of this research paper is to examine the influencing power of those digital opinion leaders while comparing this potential with traditional print advertisements in magazines In this process particular focus has been laid on the perceived credibility of both marketing techniques applied on the luxury cosmetic market in Austria Through a quantitative survey with paper and pencil questionnaires data on attitudes and perceptions of 120 respondents could be gathered in Klagenfurt Results of the study reveal that influencer advertisements are not automatically more influencing than traditional print advertisements However a positive pre attitude towards beloved influencers affect people to develop a more positive attitude towards brands and products that were advertised by social media opinion leaders These findings suggest that luxury cosmetic brands should create a marketing mix that implements a complementary storytelling strategy between influencer promotions and print advertisements Thereby companies can target influencer followers as well as consumers of older generations to achieve a communication concept which attract potential customers in a diversified way      **Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success** Leonard Kim, Ryan Foland, 2019-10-25 Be human It's the only way to get

ahead in business today Competition today is fiercer than ever It seems that every job candidate is flashing a world class resume and every business competitor is the absolute best at what they do Don't be fooled People exaggerate And don't be discouraged By revealing stories of failures setbacks and personal flaws without shame or fear you exhibit greater self confidence than your competition You cultivate connections with serious smart people and you build loyalty that lasts Ditch the Act shows how to present your humanness imperfect and flawed but honest resilient and willing to learn in strategic ways to achieve clear defined goals It provides an actionable program for building an authentic long lasting personal brand explaining why exposure is important and how it cultivates more durable connections than any polished persona can By creating a personal brand that's honest and authentic and that reveals personal struggles you'll build stronger longer lasting relationships and achieve greater success Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell Because they're founded on durable robust relationships they're rock solid and better withstand business uncertainty and tough times Ditch the act be real and jump ahead of the competition before they even know you are there

**Fitness Influencers. Impact on Purchase Intentions and Attitudes of Instagram Users** Ben Schiefer, 2023-03-27 Master's Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1.3 Berlin School of Economics and Law language English abstract This master thesis empirically assesses the impact of the fit between digital fitness influencers and promoted brands on attitudes and purchase intentions of Instagram users The study identifies attitudes toward source both source credibility and source trustworthiness attitudes towards ads and attitudes towards brands as important constructs to measure the advertising impact on attitudes Based on a review of the existing literature regarding digital influencers and the concept fit an experiment with two conditions was conducted via independent online surveys They were carried out to members of online fitness forums and communities and fitness groups on social network sites Data collected from 109 respondents in survey A and 110 in survey B was analyzed and tested using unpaired 2-sided tests The empirical study reveals the relevance of influencer brand fit The results confirm that the impact on all tested constructs is significantly more positive for the test group exposed to the survey including a post of a digital fitness influencer with a high perceived influencer brand The findings require further confirmation in other settings and industry sectors before they can be generalized but offer helpful new insights to better allocate efforts and resources to effectively manage the collaboration with digital influencers A high influencer brand fit serves as a key driver for advertising effectiveness of influencer marketing
