If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere, the place you call home still matters a lot. By the old rules of work, your dream career determines where you live. If you want to make movies, move to Los Angeles. If you want to work in publishing, you must be in New York. And if you're launching a start-up, you'll only succeed in Silicon Valley. But with the meteoric rise of remote and freelance work, more people than ever are becoming location independent. Even doctors, teachers, and other people in more traditional occupations have to make tough choices about where they settle, because living in the right place can still make all the difference for your success and happiness. So if work won't dictate where you live, how will you ever decide? If You Could Live Anywhere answers that question. Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations. Because the secret to being happy isn't moving; it's aligning your location with your values. You'll learn how to craft a personal location strategy that will make the most of your money, your community, and your life, with success stories from people who flexed their location independence to find homes and work they love. The future of work is clear: it can happen wherever you are. So where do you really want to be?

**Untethered** Nathan James Thomas, 2023. The dream of being a digital nomad has inspired many to quit their jobs and attempt to live a life that is global and free of the daily 9 to 5 grind. To travel to exotic lands, meet interesting people, and enjoy limitless adventure all while earning money from a few strokes of the keypad. But many find themselves frustrated in pursuit of this dream. The realities of a digital nomad life are far from simple, and with the pandemic of 2020 and ongoing global uncertainty, the complexities of life on the road have become even more challenging to navigate. Yet with these challenges have come opportunities: remote work is no longer an exception but a very real option within reach of many of us. With more and more businesses being started and with corporations having a seemingly endless appetite for new talent, the opportunities for workers to establish themselves as digital nomads are abundant. In *Untethered*, you'll learn exactly what it takes to engineer a digital nomad lifestyle in a post-pandemic world. With travel stories and case studies interlaced with clear, real-world guidance, you'll discover whether the digital nomad lifestyle is for you and equip yourself with the tools to create your own location-independent life.
