*Advancing the Story* Debora Halpern Wenger, Deborah Potter, 2018-08-17 This textbook takes a systematic approach to teaching broadcast and multimedia journalism to students. Easy to follow and very relatable for students. Visually appealing. Love this textbook. Beth Bingham, California State University Fullerton. Updated Edition of Bestseller. It's a multimedia world and today's journalists must develop a multimedia mindset. How does this way of thinking change the newsgathering and news production processes? Having conceived of and written their book in this changed media landscape, broadcast veterans Wenger and Potter seamlessly build on the fundamentals of good news reporting while teaching students to use depth, interactivity and immediacy as they maximize the advantages of each platform. While retaining the book's clear instruction and advice from those in the trenches, *Advancing the Story* Fourth Edition has been updated to reflect the latest issues and trends with greater emphasis on social media and mobile media to gather, promote and disseminate news content, expanded coverage of media ethics and media law, extended examples of effective reporting across multiple platforms, updated writing exercises and new resources for reviewing AP style and additional interviews with journalists at the forefront of industry changes.

*Watch Me Play* T. L. Taylor, 2018-10-16 A look at the revolution in game live streaming and esports broadcasting. Every day thousands of people broadcast their gaming live to audiences over the internet using popular sites such as Twitch, which reaches more than one hundred million viewers a month. In these new platforms for interactive entertainment, big esports events featuring digital game competitors live stream globally and audiences can interact with broadcasters and each other through chat in real time. What are the ramifications of this exploding online industry? Taking readers inside home studios and backstage at large esports events, *Watch Me Play* investigates the rise of game live streaming and how it is poised to alter how we understand media and audiences. Through extensive interviews and immersion in this gaming scene, T. L. Taylor delves into the inner workings of the live streaming platform Twitch. From branding to business practices, she shows the pleasures and work involved in this broadcasting activity as well as the management and governance of game live streaming and its hosting communities. At a time when gaming is being reinvented through social media, the potential of an ever-growing audience is transforming user-generated content and alternative distribution methods. These changes will challenge the meaning of ownership and intellectual property and open the way to new forms of creativity. The first book to explore the online phenomenon Twitch and live streaming games, *Watch Me Play* offers a vibrant look at the melding of private play and public entertainment.
