Work from Home Job Guide Marc Stewart, 2016-08-19 Well you have made it here. But do you really want a job that allows you to work it from home. Inside the book there are over one hundred employers each with a website to go to and apply for the employment working from home they have on offer. All the employers are looking for workers in the United States. Included is a new opportunity from Amazon.com working as a delivery person in your local area. For this they are paying 18.25 per hour. Also included are jobs for creative people such as designers and those that work in the tech field. However most of the employers are looking for ordinary people who would like to or even need to work at home using their own computer and or landline to receive and handle calls during times they are available to work as employers realize you may be a busy mom who needs to take care of her children.
