**Productivity Hacks For Freelancers** Alex Fasulo, 2019-04-16 Are you ready to increase your productivity as a freelancer? Do you constantly procrastinate and mismanage projects from home? Do you need time management hacks that help you thrive in the gig economy? The truth is, most people procrastinate. When we are left to our own devices with no boss, we slack off. However, in a world of freelancing, entrepreneurship, and working from home, you need to get out ahead of your time management. Without this discipline, working for yourself will result in missed deadlines, no work-life balance, distracted work settings, confusing scheduling, lack of sleep, and clean eating. That's why it's so important to set the stage for proper time management before you dive into the world of working from home.
