**Asian Youth Travellers** Catheryn Khoo-Lattimore, Elaine Chiao Ling Yang, 2018-03-23 This book offers a bird's eye view of the current trends, opportunities and challenges related to Asian youth travellers and it also presents a holistic framework for future research to build upon. Managerial and policy implications are provided for the tourism and hospitality industry and government agencies to better accommodate the needs of Asian youth travellers, a unique and diverse market that is yet to be fully unveiled to the world. The book investigates the key characteristics that define contemporary Asian youth travellers, adopting a broad definition of Asia. While it includes relatively mature markets, it also features emerging markets in Southeast Asia, South Asia and West Asia. The book looks at different forms of tourism undertaken by Asian travellers, encompassing educational tourism, adventure tourism, working holiday, self-driving tourism, dark tourism, volunteer tourism and cultural tourism. A wide range of topics are discussed, from history to current trends, from motivations to constraints, from the influence of culture and religion on travel behaviour to the search of social freedom through travel and from destination choice to destination avoidance. The findings and interpretations are drawn from diverse and novel research methods such as netnography, visual anthropology, historiography, interview, focus group, survey and document analysis. Smart Cities

Rajendra Joshi, 2019-12-18 Saath ensured communities understood not just their rights when it came to basic services but also their responsibilities. With three decades of experience in partnerships for equitable and rights-based urban development, Saath is well positioned not just to be a player important as that is, but to also be a resource agency, a teacher and a guru, sharing its successes and failures to other institutions who are treading a similar path. Mr Shankar Venkateswaran, Former Chief, TATA Sustainability Group and former Country Head, American India Foundation. This book not only highlights the good work done by Saath but also provides food for thought in terms of what needs to be done to make our cities a much better place to live than what they are today. This book will certainly help inspire people to join NGOs in their own ways and help create an atmosphere for social change that will lead to a more inclusive growth. Mr Dilip Chenoy, Secretary General, Federation of Indian Chamber of Commerce and Industries. Urban India needs a large number of initiatives like those taken by SAATH to solve its large and diversified problems. Prof Chetan Vaidya, former Director of the National Institute of Urban Affairs and School of Planning and Architecture, Delhi. Trustee of Saath. **Immigration 101** Thalia Quayle, 2024-10-05
