Trending Newsletter Business Ideas For Beginners For Teachers:

Handbook of Research on Current Trends in Cybersecurity and Educational Technology Jimenez, Remberto, O'Neill, Veronica E., 2023-02-17 There has been an increased use of technology in educational settings since the start of the COVID 19 pandemic. Despite the benefits of including such technologies to support education, there is still the need for vigilance to counter the inherent risk that comes with the use of such technologies as the protection of students and their information is paramount to the effective deployment of any technology in education. The Handbook of Research on Current Trends in Cybersecurity and Educational Technology explores the full spectrum of cybersecurity and educational technology today and brings awareness to the recent developments and use cases for emergent educational technology. Covering key topics such as artificial intelligence, gamification, robotics, and online learning, this premier reference source is ideal for computer scientists, industry professionals, policymakers, administrators, researchers, academicians, scholars, practitioners, instructors, and students.
