*Bloggers Boot Camp* Charlie White, John Biggs, 2014-04-16. Anyone can build a blog. It's quite easy. The difficult part is keeping it relevant, technically sound, and popular. *Bloggers Boot Camp* shows you how to blog for success. It teaches you how to find a niche, find your unique voice, and how to hold a conversation with an audience. It provides information on all the right tools for the blog and it offers best ways to promote your blog and content for maximum success and a profitable life. Though rules in creating compelling content haven't really changed, ways in which the world blogs has since the last edition. The authors have learned a lot about social media since writing the previous edition's manuscript. They understand and know how social media can make or break a blog. Microblogging is a new trend brought on by the wide utilization of social media. To that same end, networking with other bloggers and content creators on the web is another form of building one's blog and one's reputation as a writer.

*Bloggging for Beginners* Kevin Liroy, 2019-11. If you want to start your own Blog and make it your full-time job, then keep reading. Creating your Blog is the first step into building a strong and lasting online presence. If you have a blog, you have your own space on the Internet. In short, you can influence people with your thoughts, your arguments, and anything you share with the world. That would be amazing, right? Well, turns out it's pretty easy to run a successful blog that generates profits if you know how to handle that. In order to create a profitable blog, you will need to post content. But be careful. Random content won't work. There is a precise strategy you have to follow to optimize your reachability and visibility on both search engines like Google and social media platforms like Facebook. You need a proven strategy that mathematically works. Just keep posting is not a strategy. In this book, you will discover: Why do you want to start a blog? How to setup your blog and be online? How to choose the right domain name and hosting? Craft the perfect design for your blog? The content strategy that will guarantee your success? How to turn a simple blog into a money-making business? What monetization method you can use and how? How to expand your influence to other networks? YouTube
