In a rapidly evolving landscape, the role of HR has never been more critical. Let us embrace this transformation with curiosity, courage, and commitment to build organizations that prioritize people, purpose, and progress in equal measure.

Prof. Dr. Ambrish Sharma **Hybrid Happiness** Barbara Plester, 2025-10-26

This book offers a unique exploration of the social and emotional impacts of working in new, flexible ways such as the increasingly popular hybrid work modes. With a specific focus on fun and play, the book is based on recent ethnographic research exploring how hybrid work has changed workplace behaviours and interactions, and how these social aspects of work are increasingly important in hybrid work. Fun and play are still happening but are occurring in new ways and forms as workers navigate fast-changing workscapes while still seeking happiness, frivolity, and laughter in their work relationships. The book presents current debates on these topics along with rich organisational, observed examples, online chat, and interview excerpts from a variety of workers and managers.

The Future of Remote Work: Trends and Predictions Ahmed Musa, 2025-01-14

The Future of Remote Work examines the evolving landscape of work in the digital age, focusing on how remote work is reshaping businesses, industries, and employee experiences. This book explores the trends driving the shift to remote work, from advances in collaboration tools and flexible work policies to the rise of digital nomadism and hybrid work models. The book also offers predictions on how remote work will continue to evolve in the coming years, highlighting the role of technology in enabling a more connected, distributed workforce. The Future of Remote Work provides valuable insights for employers and employees alike, offering practical advice on how to adapt to remote work trends, foster productivity, maintain work-life balance, and build effective remote teams in the future.
