Career without Elbows Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because especially emotionally intelligent introverted and highly

sensitive people find it difficult in everyday working life and in conflicts to assert their opinion and become visible. However, this is indispensable for professional success because only those who show themselves perform well but also know how to use the power of rhetoric for themselves are also noticed by bosses and customers and can shine. Therefore, they should definitely strengthen their self-love and self-confidence, both are indispensable for success. However, empaths in particular often confuse self-care, which is so important, i.e. taking care of one's own well-being with egoism. In the end, if you can love and accept yourself, you can shine and succeed in front of others. This book shows how that works. Good luck and have fun reading!

Knowledge that makes a difference. With its Information on Demand concept, the publisher was not only involved in an EU-funded program but also received several awards. So when you buy the book, you are also doing good. The publisher is financially and personally committed to socially relevant projects such as tree-planting campaigns, scholarship foundations, sustainable living, and many other innovative ideas. The goal of providing you with the best possible content on topics such as career, finance, management, recruiting, or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. In doing so, expertise and technical innovation go hand in hand as we take the responsibility of delivering well-researched and reliable content as well as the trust you place in us very seriously. Therefore, all texts are written by experts in their field. Only for better accessibility of information do we rely on AI-supported research results to a limited extent to make information easier to find, which assists you in your search for knowledge.
