**Algorithmic Intimacy** Anthony Elliott, 2022-10-11 Artificial intelligence not only powers our cars, hospitals, and courtrooms; predictive algorithms are becoming deeply lodged inside us too. Machine intelligence is learning our private preferences and discreetly shaping our personal behaviour, telling us how to live, who to befriend, and who to date. In *Algorithmic Intimacy*, Anthony Elliott examines the power of predictive algorithms in reshaping personal relationships today. From Facebook friends and therapy chatbots to dating apps and quantified sex lives, Elliott explores how machine intelligence is working within us, amplifying our desires and steering our personal preferences. He argues that intimate relationships

today are threatened not by the digital revolution as such but by the orientation of various life strategies unthinkingly aligned with automated machine intelligence Our reliance on algorithmic recommendations he suggests reflects a growing emergency in personal agency and human bonds We need alternatives innovation and experimentation for the interpersonal intimate effort of ongoing translation back and forth between the discourses of human and machine intelligence Accessible and compelling this book sheds fresh light on the impact of artificial intelligence on the most intimate aspects of our lives It will appeal to students in the social sciences and humanities and to a wide range of general readers Augmented Human Helen Papagiannis,2017-08-17 Augmented Reality AR blurs the boundary between the physical and digital worlds In AR s current exploration phase innovators are beginning to create compelling and contextually rich applications that enhance a user s everyday experiences In this book Dr Helen Papagiannis a world leading expert in the field introduces you to AR how it s evolving where the opportunities are and where it s headed If you re a designer developer entrepreneur student educator business leader artist or simply curious about AR s possibilities this insightful guide explains how you can become involved with an exciting fast moving technology You ll explore how Computer vision machine learning cameras sensors and wearables change the way you see the world Haptic technology syncs what you see with how something feels Augmented sound and hearables alter the way you listen to your environment Digital smell and taste augment the way you share and receive information New approaches to storytelling immerse and engage users more deeply Users can augment their bodies with electronic textiles embedded technology and brain controlled interfaces Human avatars can learn our behaviors and act on our behalf **A Textbook of Artificial Intelligence for Class 9** Hema Dhingra,Goyal Brothers Prakashan,2020-01-01 A Textbook of Artificial Intelligence for Class 9 Proceedings of the XVII International symposium Symorg 2020 Dušan Starčević,Sanja Marinković,2020-06-30 Ever since 1989 the Faculty of Organizational Sciences University of Belgrade has been the host of SymOrg an event that promotes scientific disciplines of organizing and managing a business Traditionally the Symposium has been an opportunity for its participants to share and exchange both academic and practical knowledge and experience in a pleasant and creative atmosphere This time however due the challenging situation regarding the COVID 19 pandemic we have decided that all the essential activities planned for the International Symposium SymOrg 2020 should be carried out online between the 7th and the 9th of September 2020 We are very pleased that the topic of SymOrg 2020 Business and Artificial Intelligence attracted researchers from different institutions both in Serbia and abroad Why is artificial intelligence a disruptive technology Simply because it significantly alters the way consumers industries or businesses operate According to the European Commission document titled Artificial Intelligence for Europe 2018 AI is a key disruptive technology that has just begun to reshape the world The Government of the Republic of Serbia has also recognized the importance of AI for the further development of its economy and society and has prepared an AI Development Strategy for the period between 2020 and 2025 The first step has already been made the Science Fund of the Republic of Serbia after
