Personal branding is the practice of marketing people and their careers as brands. It is an ongoing process of developing and maintaining a reputation and impression of an individual, group or organization. This book also unveils the dodgy dealings and the desperate moves made by the rich and the celebrities in their attempt to remain relevant. This book will open your eyes to see the immense wealth lying untapped around you and how to maximize your brand image and use it to build a huge online presence while you tap into this new generation of wealth accumulation. *Building Brand You!* Omar Abedin, 2015-07-07

The world today is struggling with the Personal Brand Paradox. On the one hand, growing competition at a global level is making it increasingly difficult for people to make enough money to support the lifestyle that more and more of us aspire for. On the other hand, social media and the Internet are giving us all the opportunity to experience global fame. In fact, the millennial generation that has grown up with the Internet as a fact of life now expects that they will at some point get their fifteen minutes of fame. So how do you resolve this clash between an unstoppable force and an immovable object? *Building Brand YOU* casts light on what many consider to be the black art and science that is branding and marketing and its practical application to building your personal brand. The tools and methods described in the book are used by millions of marketers around the world to build the brands they manage on a daily basis. Now you can apply these trusted techniques to truly differentiate yourself and if done well, it is nothing short of magical.
