Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue

Yes, You Need Space Yani Bautista (Tia Manila), 2018-02-20 Have you been living under a rock No idea how like and follow work Overwhelmed with the social media phenomenon In need of online inspiration Then this is your reference manual and survival kit For this book s purpose the author Yani Bautista refers to the female quarter life demographic of social

media users as Tia Tita Auntie Whether they have settled down or stayed single they are at a point in their lives where they are trying to re experience and re discover things in order to thrive in a social media dominated world This book tackles a very specific aspect of a Tia s life her social media life But Tia or not Millennial or Generation X this book has so much to say about our modern day social media usage If you need help with social media because you ve been exposed to it for so long that it gets the best of you sometimes then let this be a digital detox program that will refresh your system and lead you to do better things online like make money learn new skills find closure or a new love Prepare to log in *InfoWorld* ,1986
