## **How To Choose Youtube Automation Channel For Gen Z:**

Millennials, Generation Z and the Future of Tourism Fabio Corbisiero, Salvatore Monaco, Elisabetta Ruspini, 2022-06-23

This book examines the lifestyles expectations and plans of Millennials and Generation Z and how they are redefining tourism. It demonstrates that if the tourism industry is to enjoy future growth it must understand and meet the particular needs of these two generations. The volume explores the present and future challenges faced by the tourism industry as a result of the generational turnover and seeks to answer the following questions: What contribution can the new generations make to the future of tourism? How are technological advancements and social networks shaping future travel trends? Can a generational perspective be useful to help the tourism industry recover from the COVID 19 crisis? The book will be of interest to researchers and students of sociology and tourism studies as well as tourism professionals. *Proceedings of The 11th European Conference on Social Media* Susana Pinto, 2025-06

The European Conference on Social Media ECSM is a well established academic conference held annually for over a decade with a focus on advancing research and dialogue around social media. The primary aim of ECSM is to provide a platform for scholars, researchers, practitioners and industry professionals to share and discuss their findings on the multifaceted impacts of social media. The conference emphasises the importance of understanding how social media influences various sectors including society, education, business and governance. **The Future of Motorsports** Hans Erik Næss, Simon Chadwick, 2023-06-12

This book takes stock of the position of motorsport in the 21st century and considers how it will continue to influence sport, business, politics and society in the future. Presenting a set of thematic essays and multi disciplinary case studies, the book demonstrates that motorsport continues to play a significant role in relationships between the automotive industry, nationalism, industrialisation and capitalism, as well as motorsports position as a feature of contemporary popular culture. Examining issues such as event management and legacy, environmental sustainability and greenwashing, diversity and inclusion, the rise of gaming and esports, and the use of sport as political soft power around the world, across multiple motorsport disciplines, the book shines fascinating new light on this innovative but sometimes problematic industry. This is essential reading for all advanced students, researchers, managers, strategists, sponsors and other stakeholders working at the nexus of motorsport, business, politics and culture. *Innovative B2B Marketing* Simon Hall, 2022-08-03
