Organizational Development Essentials You Always Wanted To Know Ankur Mithal, Vibrant Publishers, 2023-01-17 Do the words Organizational Development OD intrigue and excite you Do you want to know what role they play in the life of an organization Would you like to know more about what an OD practitioner actually does for an organization What exactly is an OD intervention through which change is introduced into an organization *Organizational Development Essentials You Always Wanted To Know* answers these questions and many more It is a ready reckoner for people who would like to know more about the subject but do not know where to start It seeks to provide an understanding of the still relatively new and evolving discipline of OD along with its key characteristics core values and goals In order that it is not confused with some other disciplines like Change Management and Human Resource Management a distinction is also drawn between them The book builds the theory of OD around the concept of constant change and suggests that organizations need to move from change that is thrust upon them to change that is planned with the help of OD interventions The book also discusses the 5 stages of OD interventions Entry Diagnosis Implementation Evaluation and Institutionalization in detail The discussion is rounded off

by discussing the OD practitioner's core competencies, skills, ethical issues and knowledge required as well as the expectations the organization has. The book is an ideal pick for managers and leaders in organizations who wish to acquaint themselves with all the aspects of OD. It will be a useful guidebook for students and help them explore the field of OD for a prospective career. This book is part of the Self Learning Management Series designed to help students, managers, career switchers and entrepreneurs learn essential management lessons.

Creating Literacy Instruction for All Students Thomas G. Gunning, 2005 With its inclusive view of literacy, *Creating Literacy Instruction for All Students* emphasizes methods that have been validated by research and practice while delivering the basics of all major aspects of reading and writing. The Fifth Edition of this best-selling book continues to be a comprehensive practical text that provides its readers with step-by-step guidance for teaching reading and writing. Written by distinguished author Tom Gunning, this text features sample lessons for virtually every major literacy skill, strategy and offers numerous reinforcement suggestions and generous listings of materials. With its careful balance between the theory and the practice, readers are always given the theories behind the methods, encouraging them to choose, adapt and construct their own approaches as they create a balanced program of literacy instruction. Special emphasis has been given to adapting instruction for English language learners, struggling readers and writers and special needs students throughout the book. Unlike comparable texts, the new edition stresses effective steps for closing the gap between achieving and struggling readers as mandated by the No Child Left Behind legislation and Reading First.
