The Power of Digital Affiliate Marketing Dr Mehmet Yildiz, 2021-05-14 You may ask why another book for affiliate marketing now Good question I know the importance of passive income for authors in this economic climate thus I designed this book to guide you create a new revenue stream I author this book for a specific audience freelance writers including published and indie authors bloggers and other content creators because affiliate marketing can be a godsend for them This book will make affiliate marketing so easy to understand that you can succeed if you apply the knowledge in it *Affiliate Marketing For Beginners* Tim Murphy, 2020-12-29 If you were to ask a random user of the Internet what he or she thought Affiliate Marketing was he or she would likely claim that it was a way of making money online as an intermediary Here people make a commission from a sale or a referral when a visitor to his or her site clicks on a link that directs him or her to a product or page online However as much as there is a lot of truth there Affiliate Marketing does not only have to take place online For example affiliate marketing is also where a plumber gives a client a discount for referring him or her to a new client It is the same concept This kind of marketing happens a lot in the real world but people do not trace or coordinate it as much as is the case with online marketing Business owners can ask their customers how they came to know about them in an effort to learn about their client base but they cannot get as much information as they would be using online tracking The growing online market has made this type of marketing more popular and profitable It has also made it easier to grow and expand whatever type of business an individual is in with the help of numerous professional marketers who will not necessarily appear on their payroll Therefore while its history started long before the invention of the Internet the Internet has transformed it and made it widely available to the masses You will start by learning all about the ins and outs of affiliate
