Generative AI in Higher Education Cecilia Ka Yuk Chan, Tom Colloton, 2024-03-21 Chan and Colloton's book is one of the first to provide a comprehensive examination of the use and impact of ChatGPT and Generative AI (GenAI) in higher education. Since November 2022, every conversation in higher education has involved ChatGPT and its impact on all aspects of teaching and learning. The book explores the necessity of AI literacy tailored to professional contexts, assesses the strengths and weaknesses of incorporating ChatGPT in curriculum design, and delves into the transformation of assessment methods in the GenAI era. The authors introduce the Six Assessment Redesign Pivotal Strategies (SARPS) and an AI Assessment Integration Framework encouraging a learner-centric assessment model. The necessity for well-crafted AI educational policies is explored, as well as a blueprint for policy formulation in academic institutions. Technical enthusiasts are catered to with a deep dive into the mechanics behind GenAI, from the history of neural networks to the latest advances and applications of GenAI technologies. With an eye on the future of AI in education, this book will appeal to educators, students, and scholars interested in the wider societal implications and the transformative role of GenAI in pedagogy and research. The Open Access version of this book is available at www.taylorfrancis.com and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 license.

Relentless Caring William H. McGill, 2024-03-05 By delivering kindness every day at all levels of your organization and to all your customers, you will earn dedicated employees and repeat customers and ultimately profitability. This step-by-step guide details an approach to leadership focused on caring about the well-being of others. As founder and executive chairman of MarineMax and with kindness as his True North, William H. McGill Jr. helped transform the company from a small disparate group of boat dealers into a highly profitable \$2 billion global conglomerate. In *Relentless Caring*, McGill shares what he's learned about how to truly care about others 24/7 and generate solid profits at the same time. Readers will learn why having the right people in the right jobs matters, how to find the right team members and take care of them and their families (including providing high-quality, low-cost health care), why long-term thinking is essential for success, why persistence, consistency, and risk are essential for growth, why investing in basic tools like personality profiling and a structured hiring and promotions system contribute to making the right decisions. *Relentless Caring* is a practical playbook for managing from the heart, tirelessly delivering goodness and kindness to your team members and to customers to build strong loyalties that can buoy your organization even in the most challenging economic waters.

The Future Leader Jacob Morgan, 2020-02-19 WINNER OF CMI MANAGEMENT BOOK OF THE YEAR 2021 Are you a future-ready leader? Based on exclusive interviews with over 140 of the world's top CEOs and a survey of nearly 14,000 people, do you have the right mindsets and skills to be able to lead effectively in the next ten years and beyond? Most individuals and organizations don't even know what leadership will look like in the future. Until now. There has been a lot written about leadership for the present day, but the world is changing quickly. What worked in the past won't work in the

future We need to know how to prepare leaders who can successfully navigate and guide us through the next decade and beyond How is leadership changing and why How ready are leaders today for these changes What should leaders do now To answer these questions Jacob interviewed over 140 CEOs from companies like Unilever Mastercard Best Buy Oracle Verizon Kaiser KPMG Intercontinental Hotels Group Yum Brands Saint Gobain Dominos Philip Morris International and over a hundred others Jacob also partnered with LinkedIn to survey almost 14 000 of their members around the globe to see how CEO insights align with employee perspectives The majority of the world s top business leaders that Jacob interviewed believe that while some core aspects of leadership will remain the same such as creating a vision and executing on strategy leaders of the future will need a new arsenal of skills and mindsets to succeed What emerged from all of this research is the most accurate groundbreaking book on the future of leadership which shares exclusive insights from the world s top CEOs and never before seen research After reading it you will Learn the greatest trends impacting the future of leadership and their implications Understand the top skills and mindsets that leaders of the future will need to possess and how to learn them Change your perception of who a leader is and what leadership means Tackle the greatest challenges that leaders of the future will face See the gap that exists between what CEOs identified versus what employees are actually experiencing Become a future ready leader This is the book that you your team and your organization must read in order to lead in the future of work
