Qualitative Research Methods in Consumer Psychology Paul Hackett, 2015-08-20 While consumer research is founded on traditional quantitative approaches the insight produced through qualitative research methods within consumer settings has not gone unnoticed The culturally situated consumer who is in intimate dialogue with their physical virtual and social surroundings has become integral to understanding the psychology behind consumer choices This volume presents readers with theoretical and applied approaches to using qualitative research methods in ethnographic studies looking at consumer behavior It brings together an international group of leading scholars in the field of consumer research with educational and professional backgrounds in marketing advertising business education therapy and health Researchers teaching faculty and students in the field of consumer and social psychology will benefit from the applied examples of qualitative and ethnographic consumer research this volume presents

The Women of the Far Right Eviane Leidig, 2023-09-19 On mainstream social media platforms far right women make extremism relatable They share Instagram stories about organic foods that help pregnant women propagate the pure white race and post behind the scenes selfies at antivaccination rallies These social media personalities model a feminine lifestyle at once promoting their personal brands and radicalizing their followers Amid discussions of issues like dating marriage and family life they call on women to become housewives to counteract the corrosive effects of feminism and champion the Great Replacement conspiracy theory which motivated massacres in Christchurch El Paso and Buffalo

Eviane Leidig offers an in depth look into the world of far right women influencers exploring the digital lives they cultivate as they seek new recruits for white nationalism Going beyond stereotypes of the typical male white supremacist she uncovers how young attractive women are playing key roles as propagandists organizers fundraisers and entrepreneurs Leidig argues that far right women are marketing themselves as authentic and accessible in order to reach new followers and spread a hateful ideology This insidious and highly gendered strategy takes advantage of the structure of social media platforms where far right women influencers content is shared with and promoted to mainstream audiences Providing much needed expertise on gender and the far right this timely and accessible book also details online and offline approaches to countering extremism

Ask, Measure, Learn Lutz Finger, Soumitra Dutta, 2014-01-23 You can measure practically anything in the age of social media but if you don't know what you're looking for collecting mountains of data won't yield a grain of insight This non technical guide shows you how to extract significant business value from big data with Ask Measure Learn a system that helps you ask the right questions measure the right data and then learn from the results Authors Lutz Finger and Soumitra Dutta originally devised this system to help governments and NGOs sift through volumes of data With this book these two experts provide business managers and analysts with a high level overview of the Ask Measure Learn system and demonstrate specific ways to apply social media analytics to marketing sales public relations and customer management using examples and case studies
