**Radical Reporting** Sara I. James, 2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it to her outstanding manuscript Radical Reporting Writing Better Audit Risk Compliance and Information Security Reports Richard Chambers Former President and CEO The Institute of Internal Auditors Most people dread writing reports they also dread reading reports What they don t realize is that the techniques that make writing more readable make it more powerful This is especially relevant for professionals in areas such as audit

risk compliance and information security This small volume provides the tools and techniques needed to improve reports It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks complete projects and meet deadlines These concepts the role of culture in communication the link between logic and language the importance of organizing thoughts before writing and how to achieve clarity may seem academic or theoretical They re not Unless writers understand their own thoughts actions and objectives they cannot hope to communicate them at all let alone clearly This second edition develops these points with additional material on critical thinking as well as the use of AI in reporting
