**Work from Home** Serge Chapter, 2019-01-12 Every weekday morning working people leave the comfort of their homes to head to work Some of them live so close to their places of employment they're able to walk Others commute on trains in cars and even on bicycles Many of these people dream of working from home They reflect on the joys of awakening and walking with their coffee from the kitchen to their home office even if it's the kitchen table They sigh ruefully not believing that the work from home dream could be theirs if only they were to think a little outside the box I'm writing this brief book to let you know that the work from home dream is for anyone who's willing to reach for it It's not an impossible dream either As I write there are millions of people all over the world working from home They're in their pajamas at the kitchen table They're sitting in the park They're drinking coffee at the corner java joint Wherever they are they're making money and they're making it on their terms and on their schedule Wouldn't you like
