Fintech Marketing: From Start to Now Dmitrii Egorenkov,2024-04-24 Fintech

Marketing From Start to Now is an essential read for anyone looking to grasp the seismic shifts in financial services marketing precipitated by technology. Tracing the lineage from the earliest financial technologies to the latest digital revolutions, this book is a masterclass in the art and science of fintech marketing. The book opens with a primer on the fundamentals of fintech, charting its evolution and contextualizing its rise alongside the digital milestones of our times. Readers are taken from the nascent stages of online finance to the current era where mobile and social media are not just platforms but catalysts for financial innovation. Delving into the fintech spectrum, the book enumerates and elucidates the main categories of fintech products, including transformative payment solutions, alternative lending models, the burgeoning sectors of insurtech and blockchain, and the expanding universe of cryptocurrencies. With a global lens, Fintech Marketing From Start to Now provides a panoramic survey of fintech's expansion across continents, dissecting the factors that have spurred or stifled growth. It presents an incisive look at market-specific nuances in major economies like the USA, EU, China, and India, while also shedding light on the diverse fintech landscapes of Southeast Asia and other regions. The heart of the book lies in its robust section on marketing strategy. It breaks down the complexities of customer acquisition in fintech, from laying down the marketing fundamentals to crafting sophisticated strategies that resonate with today's savvy consumers. It details the importance of branding, the elements of a winning marketing plan, and how to build trust and credibility in an industry where security is paramount. An entire section is devoted to understanding and engaging with the target audience. Here, the book shines with its data-driven approach, providing actionable guidance on creating customer personas, utilizing analytics, and choosing the right communication channels. The marketing mix gets a digital overhaul as readers learn how to apply the timeless 4P's (Product, Price, Place, Promotion) to a fintech context. This is complemented by tactical insights into leveraging digital platforms, optimizing for search engines, engaging through social media, and employing content marketing to tell compelling financial narratives. The book doesn't just teach but shows, through a series of case studies, drawing lessons from successful campaigns and flagging pitfalls to avoid. It culminates with a forward-looking analysis of fintech's future, innovating client attraction strategies and the anticipated products set to redefine the industry. Fintech Marketing From Start to Now is more than a book; it's a strategic partner for fintech professionals, marketers, entrepreneurs, and enthusiasts aiming to navigate the vibrant and challenging world of fintech marketing.

#### **Strategic Airline Retailing and Solutions**

Nawal K. Taneja, 2023-11-07. While airlines have been looking into the next generation of retailing practices for several years, developments since the beginning of 2020 have accelerated the need to take retailing to a new paradigm. A singular focus now is the ever-changing demands of the current and next generation of customers and employees and managing their values. Examples of customer needs include a mobile-first approach, rich content, augmented and personalized end-to-end services with seamless, consistent, and contextualized experiences. While these concepts of retailing are not new, the challenge has been in bringing them to reality due to the constraints of legacy systems and processes while transitioning to next

generation retailing systems b the inaccessibility of real time data coming from a wide variety of sources such as online shopping social media and operations c the inability to monitor real time behavior of customers and employees d the lack of effective collaboration and cooperation within the travel ecosystem and e the increasing lack of trust on the part of customers This book provides a framework and technologies to convert retailing concepts from shopping to fulfillment into reality by a renovating an airline s core and ancillary products b progressing faster on digital and organizational transformation journeys to make better data based decisions about retailing c getting better at managing customer value by knowing who the customers are d empowering supporting and listening to employees to meet their expectations e asking the right questions to solve complex retailing problems relating to customers competitors and stakeholders and f questioning common held beliefs about the airline business This book is indispensable for all airline executives and senior managers as well as airline and airport commercial managers It will also be enormously beneficial for retailers dealing with airlines and airports
