Presents the second level of Inner Alchemy practices that use the eight forces of the pakua bagwa to collect, gather, and condense chi in the body. Explains how to balance negative emotional energy with positive energy to detoxify, nourish, and integrate the physical and the energy body with the forces of nature. Shows how to collect and channel the greater energies of the stars and planets to create unity between what is above and below. Cosmic Fusion is an advanced level of Inner Alchemy that teaches how to bring the physical body into balance with the energy body, a necessary prerequisite for the formation of the universal body, the pearl of compassion that is one with Original Creation and the Universal Tao. Cosmic Fusion works with the expression of the eight pakua bagwa of Chinese cosmology through which all creation is divided and given form, nature and definition. Cosmic Fusion exercises establish the spiritual body firmly in the lower abdomen where chi energy is gathered and distributed to all parts of the body and into all creation. The fully illustrated exercises in this book also show how to collect and channel the greater energies of the stars and planets. By fusing all these different energies together, a harmonious whole is created, a unity of what is above and below. As heavenly and earthly forces are brought into balance, the life perfectly suited to the practitioner manifests, allowing the spirit body to prepare to move into worlds beyond and back.
