Countdown To Armageddon A Comprehensive Look From Today's Prophecy Experts:

Countdown to Armageddon Charles Caldwell Ryrie, Joe Jordan, 1999 Fifteen internationally known prophecy experts John Walvoord David Breese Jimmy DeYoung Elwood McQuaid Dwight Pentecost share their vision for God's prophetic plan and the vital role Christians will play in it Each chapter takes an in depth look at a passage of biblical prophecy and reveals how the countdown to Armageddon has begun By carefully examining God's Word they explore the ancient prophecies of the future and how they are moving toward fulfillment today Readers will discover the significance of current and future events including the rise of pagan religions Israel's battles in the Mid East and the coming holocaust facing the church A remarkable book for personal or group study Narrative of the Last Days Theodosius Katzir, 2015-05-28 The chronology of prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Paul's epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming Gog's war against Israel and how GOD defends his chosen people You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation And finally you will feel the drama of the return of Jesus King of kings and Lord of lords Arguing the Apocalypse Stephen D. O'Leary, 1998 Armageddon and a map of millennial consciousness The Rapture Hal Lindsey, 1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world's attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti-Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women's clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children's toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide **Prophecy at Ground Zero** William T.
