Miller, Sean Williams, 2017-09-25 The first complete music reference for the region this volume covers all the nations of modern Southeast Asia Burma Cambodia Laos Thailand Vietnam Singapore Malaysia Indonesia and the Philippines in thirty five articles written by twenty seven expert contributors **Framing Indonesian Realities** Peter J.M. Nas, G.A. Persoon, 2021-10-01 Ritual language wild and domestic animals and objects of material culture like houses palaces and works of art are often loaded with symbolic meaning Reading the landscape or giving meaning to the natural environment is a cultural act as well and one must discover what mountains coastlines and islands mean to different groups of people In this book written on the occasion of Professor Reimar Schefold s retirement from the Department of Cultural Anthropology at Leiden University colleagues and former students from the Netherlands and abroad demonstrate the variety and wealth of the field of symbolic anthropology The regional focus of the book is Indonesia The studies presented range from small island communities in western northern and eastern Indonesia to urban settlements in Java and Sumatra All the contributions are in one way or another related to Reimar Schefold s work over the

past thirty five years work that includes extensive studies on material culture rituals and the use of symbols in the expression of ethnicity among the various cultural groups of Indonesia

Integrated Community-Managed Development L. Jan Slikkerveer, George Baourakis, Kurniawan Saefullah, 2019-01-24 This book provides an overview of recent advances in Integrated Community Managed Development ICMD as an innovative strategy for the community based development of local institutions in order to achieve lasting poverty reduction and empowerment The original approach presented here to improving the lives and livelihoods of the poor takes a critical stance on the failing concept of conventional community development as it is based on the shifting paradigm of bottom up cooperation and development where recent regional autonomy policies are enabling national services to successfully integrate with local institutions at the community level Based on recent experiences in South East Asia where the implementation of an alternative approach to integrating financial medical educational communication and socio cultural services has led to increased community participation and impressive poverty reduction the book highlights the theoretical methodological and practical aspects of this innovative strategy The potential offered by applying the newly developed ICMD formula worldwide as a function of themes principles and services is reflected in the book s diverse range of contributions written by respected researchers and practitioners in the fields of development economics and financial management
