The Cambrian Way George Tod,2022-03-17 Dubbed the mountain connoisseurs walk the Cambrian Way stretches 479km between the mighty castles of Cardiff in the south and Conwy on the north coast Traversing the heartland of Wales the challenging route crosses the Brecon Beacons the Cambrian Mountains and Snowdonia passing through two national

parks and visiting many of the country's iconic summits including Pen y Fan, Pumlumon Cadair Idris and Snowdon itself. It can be walked in three weeks or in shorter sections and is suitable for experienced hillwalkers with sound navigational skills. The guide presents the route in 21 stages offering comprehensive route description illustrated with OS 1:50,000 mapping and elevation profiles. Details of accommodation and facilities are provided along with a helpful trek planner showing their distribution along the route. Although the trail passes through remote areas, it is possible to stay under a roof every night, though camping is also a possibility should you prefer. There are background notes on Wales's history and geology and local points of interest and a glossary of Welsh place names. Useful contacts and accommodation listings can be found in the appendices. From the Black Mountains to the Rhinogau Glyderau and Carneddau, the route takes in lofty ridges, striking peaks and picturesque lakes. There are also fascinating glimpses into the country's ancient and more recent past: Iron Age hillforts, Norman castles, a Cistercian abbey, the Chartist Cave and relics from the mining industry. Offering superlative scenery, the Cambrian Way is a celebration of some of the best mountain walking Wales has to offer and promises a unique opportunity to immerse yourself in these celebrated landscapes.
