Common Women Uncommon Practices The Queer Feminism Of Greenham:

Common Women, Uncommon Practices Sasha Roseneil, 2000 Based on detailed interviews with 35 Greenham women this book engages queer studies with everyday lived experience and politics as they have actually been practised *Iconic Works of Art by Feminists and Gender Activists* Brenda Schmahmann, 2021-07-22 In this book contributors identify and explore a range of iconic works Mistress Pieces that have been made by feminists and gender activists since the 1970s The first volume for which the defining of iconic feminist art is the raison d'être its contributors interpret a Mistress Piece as a work that has proved influential in a particular context because of its distinctiveness and relevance Reinterpreting iconic art by Alice Neel Hannah Wilke and Ana Mendieta the authors also offer important insights about works that may be less well known those by Natalia LL Tanja Ostoji Swoon Clara Meneses Diane Victor Usha Seejarim Ilse Fuskov Phaptawan Suwannakudt and Tracey Moffatt among others While in some instances revealing cross influences between artists working in different frameworks the publication simultaneously makes evident how social and political factors specific to particular countries had significant impact on the making and reception of art focused on gender The book will be of interest to scholars working in art history visual studies and gender studies **The Routledge Handbook of Heritage and Gender**

Jenna C. Ashton, 2025-05-30 The Routledge Handbook of Heritage and Gender offers an exceptional range of international contributions that interrogate and analyse the interactions within and between heritage and gender Taking an intersectional and global approach the Handbook opens up space for a more critical and situated consideration of how gender comes into contact with heritage as a concept and practice The volume considers heritage in the broadest sense as a concept performance and materialisation The contributions also consider how heritage impacts identity power people values politics and ethics as well as processes and sites across material culture nature and intangible practices The volume and its contributions are inclusive of cisgender trans non binary agender and intersex identities Reflecting the multidisciplinary and transnational voices of its authors the collection challenges readers to consider what a focused analysis of heritage and gender can offer heritage studies as an evolving discipline and field of study The Routledge Handbook of Heritage and Gender will be of interest to academics and students working in Heritage Studies Museum Studies Art History History Anthropology Gender and Women's Studies and International Development *Cultural Memories of Nonviolent Struggles* A. Reading, T. Katriel, 2015-06-09 If societies have only memories of war of cruelty of violence then why are we called humankind This book marks a new trajectory in Memory Studies by examining cultural memories of nonviolent struggles from ten countries The book reminds us of the enduring cultural scripts for human agency solidarity resilience and human kindness Beauty is in the Street Joachim C. Häberlen, 2023-10-05 A rich and readable account of left wing activism in the West and opposition to Soviet style communism in the East Katja Hoyer *The Spectator* A dream perhaps but one that still sounds worth fighting for even beautiful Stuart Jeffries *The Observer* An ambitious and masterly account of utopian protest in

Europe Fast paced with an eye for telling detail and written with a light touch Robert Gildea In post war Europe protest was everywhere On both sides of the Iron Curtain from Paris to Prague Milan to Wroclaw ordinary people took to the streets fighting for a better world Their efforts came to a head most dramatically in 1968 and 1989 when mass movements swept Europe and rewrote its history In the decades between Joachim C H berlen argues new movements emerged that transformed the nature of protesting Activism moved beyond traditional demonstrations from squatting to staging happenings and camping out at nuclear power plants People protested in the way they dressed the music they listened to the lovers they slept with the clubs where they danced all night New movements were born notably anti racism women s liberation gay liberation and environmentalism And protest turned inward as activists experimented with new ways of living and feeling from communes to group therapy in their efforts to live a better life in the here and now Some of these struggles succeeded others failed But successful or not their history provides a glimpse into roads not taken into futures that did not happen The stories in H berlen s book invite us to imagine different futures to struggle to fail and to try again In a time when we are told that there are no alternatives they show us that there could be another way *Routledge Handbook of Feminist Peace Research* Tarja Väyrynen, Swati Parashar, Élise Féron, Catia Cecilia Confortini, 2021-03-11 This handbook provides a comprehensive overview of feminist approaches to questions of violence justice and peace The volume argues that critical feminist thinking is necessary to analyse core peace and conflict issues and is fundamental to thinking about solutions to global problems and promoting peaceful conflict transformation Contributions to the volume consider questions at the intersection of feminism gender peace justice and violence through interdisciplinary perspectives The handbook engages with multiple feminisms diverse policy concerns and works with diverse theoretical and methodological contributions The volume covers the gendered nature of five major themes Methodologies and genealogies including theories concepts histories methodologies Politics power and violence including the ways in which violence is created maintained and reproduced and the gendered dynamics of its instantiations Institutional and societal interventions to promote peace including those by national regional and international organisations and civil society or informal groups bodies Bodies sexualities and health including sexual health biopolitics sexual orientation Global inequalities including climate change aid global political economy This handbook will be of great interest to students of peace and conflict studies security studies feminist studies gender studies international relations and politics Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Counter Revanchist Art in the Global City** Leah Modigliani, 2023-08-31 Through analyses of public artworks that have taken the form of blockades and barricades since the 1990s this book theorises artists responses to global inequities as cultural manifestations of counter revanchism in diverse urban centres This book is the first to analyse artworks as forms of counter revanchism in the context of the rise of the global city How do artists channel the

global spatial conflicts of the 21st century through their behaviours actions and constructions in and on the actually existing conditions of the street What does it mean for artists the very symbol of freedom of personal expression to shut down space To refuse entry To block others passage The late critical geographer Neil Smith s influential writing on the revanchist city is used as a theoretical frame for understanding how contemporary artists engender the public sphere through their work in public urban spaces Each chapter is a case study that analyses artworks that have taken the form of walls and barricades in China USA UK Ukraine and Mexico In doing so the author draws upon diverse fields including art history geography philosophy political science theatre studies and urban studies to situate the art in a broader context of the humanities with the aim of modelling interdisciplinary research grounded in an ethics of solidarity with global social justice work Collectively these case studies reveal how artists local responses to urban revanchism since the end of the Cold War are productive reorientations of social relations and harbingers of worlds to come By using plain language and avoiding excessive academic jargon the book is accessible to a wide variety of readers It will appeal to scholars and graduate students in the fields of studio art modern and contemporary art history performance studies visual culture and visual studies especially in relation to those interested in conceptual practices performance art site specificity public art political activism and socially engaged art Cultural geographers and urban theorists interested in the social and political ramifications of temporary and everyday urbanism will also find the analysis of artworks relevant to their own studies [The Feminist Seventies](#) Helen Graham,2003 A scholarly book about the 1970s in the UK and the relevance of the Women s Liberation Movement to contemporary feminism Details www.rawnervebooks.co.uk/feministseventies.html Companion web book www.feministseventies.net

New Books on Women and Feminism ,1999 **Modern Love** Marcus Collins,2003 Drawing on social economic and political history this volume explains how relations have changed between men and women in Britain in the 20th century It shows how men and women s expectations from life have radically shifted and converged describing how we have moved from inhabiting our separate spheres with wholly different prospects and values towards the ideal if not quite the actuality of equality mutuality companionship and friendship This text also shows how progressive ideas about the relationship between men and women that originated in Britain reverberated throughout the world **The Permissive Society and Its Enemies** Marcus Collins,2007 Deconstructing the myth of Britain s swinging sixties this collection of essays examines the revolution of cultural permissiveness in postwar Britain and how societal debates over drug use pornography and women s rights of this period have influenced current thinking Britain s period of nebulous social change is analyzed by defining permissiveness locating the movement s origins identifying its proponents and opponents and assessing long term consequences Discussions of ludic liberalism lesbian politics beatnik ideology and the rise of the moral crusader highlight the developing subcultures of Britain s society **Cross-cultural Encounters** Marc Silver,Giovanna Buonanno,2005 **Forthcoming Books** Rose Army,1999 *Introducing Gender & Womens Studies* Victoria Robinson,Diane Richardson,2008 This edition is carefully

designed to reflect classic and new developments in the popular field of gender and women's studies **Progressive Women, Traditional Men** Ingrid Ulrika Dahl, 2004 **Oral History** , 1999 **In Love and Struggle** Margaretta Jolly, 2008 Margaretta Jolly provides the first cultural study of these letters charting the evolution of feminist political consciousness from the height of the women's movement to today's e-mail networks Jolly uncovers the passionate contradictory emotions of both politics and letter writing and sets out the theory behind them as a fragile yet persistent ideal of care ethics women's love and epistolary art She follows several compelling feminist relationships sustained through writing and confronts the mixed messages of the open letter which complicated political relations between women such as Audre Lorde's Open Letter to Mary Daly which called out white feminists for their implicit racism *Feminist Studies* , 2001

Crossing Borders Hilda Rømer Christensen, Beatrice Halsaa, Aino Saarinen, 2004 This anthology indicates the many and multi-layered ways in which women's movements have developed in the past and the challenges that face women's movements today Covering a broad range of issues the book strives for re-narration and re-location of one of the major social movements of the 20th century and for fresh analysis of the latest trends The framework for the texts has been set by recent structural ideological and cultural changes towards globalization including the end of the Cold War bipolarization immigration and multiculturalism The changes have produced new fields of cooperation and conflicts within the women's movements and generated new questions that are dealt with in four main sections Choice Outstanding Academic Title 2005

Democracy and Participation Malcolm J.
