*Professional Learning and Identities in Teaching* A. Cendel Karaman, Silvia Edling, 2021-05-03 This book explores the reflective potentialities offered by analyses of teachers professional learning narratives The book has a specific focus on narratives on professional learning and professional identities emerging from different contexts and gives a deeper understanding of successful teachers narratives globally Diverging from

universally standardized constructions of idealized teacher identity and professional learning the book provides analyses of a diversified set of cases with detailed descriptions of each teacher's idiographic and professional context to gain a deeper understanding of situated professional identities. With contributions from a range of international backgrounds it shows teachers of various age groups, subject areas, and curricula contribute their narratives to help readers reflect on different trajectories toward becoming a teacher. These narratives provide insight into and a deeper understanding of the conditions and complex processes that being a successful teacher involves within these case studies, providing a useful contribution to the field of teacher education. *Professional Learning and Identities in Teaching: International Narratives of Successful Teachers* will be of great interest to researchers, academics, and postgraduate students of teacher education and international and comparative education.

**Journal of International Students, 2020 Vol. 10 No. 3** Krishna Bista, Chris Glass, 2020-11-12 We invite you to explore the third issue of our 10th anniversary series in the *Journal of International Students*. The COVID-19 global pandemic has affected every facet of our lives, and international students are profoundly impacted by the uncertainty in higher education worldwide. The cutting-edge research and analysis from our authors continues to be critical as we navigate new realities together. Issue 10.3 continues our yearlong celebration with essays from influential voices in the field who highlight the importance of supporting international students and immigrants in these challenges: time, the diversification of students, and teaching and engaging international students.

*Journal of International Students* || Vol 10 No 4 (2020): 10th Anniversary Series || Part I Krishna Bista, Chris Glass, 2020-11-10 *Journal of International Students* Vol 10 No 4 2020 10th Anniversary Series Part I We invite you to explore the fourth issue of our 10th anniversary series in the *Journal of International Students* with excellent essays from Jenny Lee, Darla Deardorff, Rosalind Raby, and Megan Siczek. Our final issue for 2020 features authors from and research focused on Armenia, Australia, China, Mexico, the Netherlands, Saudi Arabia, Singapore, Taiwan, Turkey, and the United Kingdom. Issue 10.4 concludes our yearlong celebration with essays from influential voices in the field who highlight critical issues facing international students, reflections on the last ten years in community college internationalization, and thoughts about how we need to move forward in the community college.

**Central European Political Science Review**, 2001 *Rethinking Education Across Borders* Uttam Gaulee, Shyam Sharma, Krishna Bista, 2020-02-14 This book focuses on critical issues and perspectives concerning globally mobile students, aspects that have grown in importance thanks to major geopolitical, economic, and technological changes around the globe. It is in and across major origins and destinations of international students. Over the past few decades, the field of international higher education and scholarship has developed robust areas of research that guide current policy, programs, and pedagogy. However, many of the established narratives and wisdoms that dominate research agendas, scope, and foci have become somewhat ossified and are unable to reflect recent political upheavals and other changes, e.g., the Brexit, Trump era, and Belt and Road Initiative, that have disrupted a number of areas, including mobility patterns and recruitment practices.

understanding and supporting students engagement of global mobile students with their local counterparts and the political economy of international education at large By re assessing established issues and perspectives in light of the emerging global local situations the contributing authors all experts on international education share insights on policies and practices that can help adapt to emerging challenges and opportunities for institutions scholars and other stakeholders in international higher education Including theoretical empirical and practitioner based methods and perspectives provided by scholars from around the world the book offers a unique and intriguing resource *Linguistics and Language Behavior Abstracts* ,1995
