Tanner,2006 *Enhancing Communication Skills of Deaf & Hard of Hearing Children in the Mainstream* James J. Mahshie,2005 With many children who are deaf or hard of hearing now integrated in mainstream classroom settings speech language pathologists and school based clinicians are encountering this population in growing numbers This book is designed to help clinicians who may have little or no experience with this population to understand its unique communication needs and develop clinical skills for working with them It takes a holistic view of children who are deaf or hard of hearing and stresses the child as a communicator rather than focusing on the disorder itself and provides a useful framework for viewing and assessing children s communication abilities and goals at all stages of language development It also includes specific assessment and treatment techniques to help develop and improve communication skills in order to maximize this populations potential for learning **Speech, Language, and Hearing Programs in Schools** Eileen Gravani,Jacqueline Meyer,2007 Speech Language pathologists have long been involved in providing services to children with communication disorders in the schools However a number of recent events have altered the practice environment including changes in national and state legislation shifting demographics an increase in the severity of disorders encountered advances in technology and a move toward curriculum based assessment The new edition of Speech Language and Hearing Programs in Schools A Guide for Students and Practitioners reflects these events The new editors contributors to the first edition have substantially updated and revised all chapters and have added new material on the re authorization of IDEA literacy acquisition pediatric dysphagia children from culturally diverse backgrounds who are increasingly represented in speech language pathology caseloads and much more The book also includes chapter objectives case studies and Internet resources and is supplemented by an instructor s manual Forthcoming Books Rose Arny,1998 *Books in Print* ,1994

Communication Disorders in the Classroom William O. Haynes,1994 Speech language and hearing disorders have the potential to affect a student communicatively socially psychologically and academically The new Fourth Edition of Communication Disorders in the Classroom presents an updated portrait of the far reaching impact that communication impairments have on the lives and success of students from preschool through adolescence The text suggests a variety of

strategies and interventions for professionals in the education special education and speech pathology disciplines to employ as they deal with students with communication impairments With state of the art information and minimal jargon each chapter contains a section on the nature of a specific communication disorder assessment issues and direct and indirect treatment options **Subject Guide to Books in Print** ,1993 **Successful Inclusive Teaching** Joyce S. Choate,1997 This book provides a practical resource for meeting the learning and behavior needs of special students who have disabilities or are considered high risk learners and the teaching needs of those who teach them in the inclusive setting classroom Clinical Decision Making in Developmental Language Disorders Alan G. Kamhi,Julie Masterson,Kenn Apel,2007 This essential text will prepare SLPs to make the best possible clinical decisions and improve the communication and overall quality of life for children and adolescents with developmental language disorders Addresses a broad age span and teaches b
