Communicative Value Of Intonation In English:

The Communicative Value of Intonation in English Book David Brazil,1997-05-29 The revised edition of David Brazil s seminal work The Communicative Value of Intonation in English **The Communicative Value of Intonation in English** ,1997 *The Communicative Value of Intonation in English* ,1985 *The Communicative Value of Intonation in English Book* David Brazil,1997-05-29 The revised edition of David Brazil s seminal work The Communicative Value of Intonation in English **The Routledge Handbook of Discourse Analysis** Michael Handford,James Paul Gee,2023-05-15 The Routledge Handbook of Discourse Analysis covers the major approaches to discourse analysis from critical discourse analysis to multimodal discourse analysis and their applications in key educational and institutional settings The handbook is divided into eight sections Approaches to Discourse Analysis Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse Educational Applications and Institutional Applications The chapters are written by a wide range of contributors from around the world each a leading researcher in their respective field With a focus on the application of discourse analysis to real life problems the contributors introduce the reader to a topic and analyse authentic data This fully revised second edition includes new sections on Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse and nine new chapters on topics such as digital communication and public policy and political discourse This volume is vital reading for all students and researchers of discourse analysis in linguistics applied linguistics communication and cultural studies social psychology and anthropology Native and Non-Native Teacher Talk in the EFL Classroom Eric Nicaise,2020-11-11 Native and Non Native Teacher Talk in the EFL Classroom explores and compares the linguistic features of native and non native English teacher talk with the aid of corpus linguistics Setting aside the wide range of audio and video materials available the EFL teacher is in many instances the main model of English to which students are exposed in secondary level education The basis of this book is to work towards a framework for the language that teachers of English need to be proficient in based on an empirical study of language used in the ELT classroom by both native and expert non native users Presenting a corpus informed treatment of the precise linguistic features used by EFL teachers within the framework of their most common teaching functions this book Relates directly to the teacher talk of secondary level EFL teachers Combines quantitative and qualitative approaches to data analysis Looks into pedagogical implications for ELT and proposes a flexible language development model based on evidence from the teacher training classroom Provides a corpus based repertoire of language for the classroom which is of relevance to native and non native student teachers and practising teachers Highlighting the need for much greater awareness of the impact of language use in both learning and teaching this book is a major resource for advanced students and researchers of TESOL classroom discourse corpus linguistics ELT English for professional purposes and teaching placement preparation Teaching and Learning the English Language Richard Badger,2024-01-11

Offering a solid research based approach along with sound practical advice this book equips you with the skills you need to analyse your own contexts and develop your practice whether through formal study or alone Badger explores teaching English as a problem solving activity addressing three fundamental questions what aspect of language do students need to learn how do they learn it and how can teachers support this learning This new edition includes updated references a chapter on pragmatics coverage of concepts such as translanguaging CLIL EMI English as a lingua franca and sections on digital learning Topics covered include Psychological and social learning processes TESOL teaching methods and approaches Lesson planning and classroom management English teacher professional development The book also includes chapter summaries activities for students and key readings recommendations and online resources such as video case studies additional exercises and multiple choice quizzes to consolidate learning The book is ideal for both trainee and practicing teachers who want to develop their practice Spoken English, TESOL and Applied Linguistics Rebecca Hughes, 2005-12-15

Leading researchers in the field of spoken discourse and language teaching offer an empirically informed issues based discussion of the present state of research into spoken language They address some of the complex and rewarding opportunities offered by these emerging insights for language education and specifically for TESOL They ask whether new data and evidence that spoken discourse is a distinctive genre will challenge existing language theories and teaching What could be the practical outcomes for curriculum teaching approaches materials and assessment A stimulating resource for researchers and for professional and student language teachers *Convergence: English and Nigerian Languages* Ndimele, Ozo-mekuri, 2016-02-22 The present volume which is the 5th in the Nigerian Linguists Festschrift Series is devoted to Professor Munzali A Jibril a celebrated icon in university administration and an erudite Professor of English Linguistics The title of this special edition was specifically chosen to crown Professor Jibril's academic prowess in both English and indigenous Nigerian languages and to mark and laud his official departure from active university lectureship 72 assessed papers are included from the many submitted Papers cover the main theme of the volume i.e. the interaction between English and indigenous Nigerian languages and there are a number of papers on other secular areas of linguistics such as language and history language planning and policy language documentation language engineering lexicography translation gender studies language acquisition language teaching and learning pragmatics discourse and conversational analysis and literature in English and African languages There is also a rich section devoted to the major traditional fields of linguistics phonology morphology syntax and semantics Transcribing the Sound of English Paul Trench, 2011-08-11 Do you have a fear of

transcription Are you daunted by the prospect of learning and handling unfamiliar symbols This workbook is for students who are new to linguistics and phonetics and offers a didactic approach to the study and transcription of the words rhythm and intonation of English It can be used independently or in class and covers all the pronunciation details of words phrases rhythm and intonation Progress is deliberately gentle with plenty of explanations examples and can't go wrong exercises In

addition there is an associated website with audio recordings of authentic speech which provide back up throughout The audio clips also introduce students to variations in accents with eleven different speakers Going beyond the transcription of words the book also ventures into real discourse with the simplification systems of colloquial English speech rhythm and intonation The Routledge Handbook of Contemporary English Pronunciation Okim Kang, Ron I. Thomson, John M Murphy, 2017-11-08 The Routledge Handbook of Contemporary English Pronunciation provides a comprehensive survey of this field covering both theoretical and practical perspectives on pronunciation In 35 chapters contributed by leading scholars from around the world this Handbook examines linguistic and historical background of sound systems and theoretical issues linked to sound changes pronunciation acquisition and factors related to speech production pronunciation research and applications to second language pronunciation the link between pronunciation and other language skills including perception and other socio cultural factors pronunciation and its relation to World Englishes The Routledge Handbook of Contemporary English Pronunciation will be essential reading for anyone with an interest in pronunciation
