Communism A History Modern Library Chronicles:

Communism Richard Pipes,2003-08-05 With astonishing authority and clarity Richard Pipes has fused a lifetime scholarship into a single focused history of Communism from its hopeful birth as a theory to its miserable death as a practice At its heart the book is a history of the Soviet Union the most comprehensive reorganization of human society ever attempted by a nation state This is the story of how the agitation of Karl Marx and Friedrich Engels two mid nineteenth century European thinkers and writers led to a great and terrible world religion that brought down a mighty empire consumed the world in conflict and left in its wake a devastation whose full costs can only now be tabulated Politically Incorrect Guide

to Communism Paul Kengor,2017-10-02 A brand new installment of the beloved Politically Incorrect Guide series The Politically Incorrect Guide to Communism is a fearless critique of freedom s greatest ideological adversary past and present United States History - Part B , **Dupes** Paul Kengor,2023-06-27 In this startling intensively researched book

bestselling historian Paul Kengor shines light on a deeply troubling aspect of American history the prominent role of the dupe From the Bolshevik Revolution through the Cold War and right up to the present many progressives have unwittingly aided some of America s most dangerous opponents Based on never before published FBI files Soviet archives and other primary sources Dupes exposes the legions of liberals who have furthered the objectives of America s adversaries Kengor shows not only how such dupes contributed to history s most destructive ideology Communism which claimed at least 100 million lives but also why they are so relevant to today s politics **The Korean War** Bruce Cumings,2010-07-27 A BRACING ACCOUNT OF A WAR THAT IS EITHER MISUNDERSTOOD FORGOTTEN OR WILLFULLY IGNORED For Americans it was a discrete conflict lasting from 1950 to 1953 But for the Asian world the Korean War was a generations long struggle that still haunts contemporary events With access to new evidence and secret materials from both here and abroad including an archive of captured North Korean documents Bruce Cumings reveals the war as it was actually fought He describes its origin as a civil war preordained long before the first shots were fired in June 1950 by lingering fury over Japan s occupation of Korea from 1910 to 1945 Cumings then shares the neglected history of America s post World War II occupation of Korea reveals untold stories of bloody insurgencies and rebellions and tells of the United States officially entering the action on the side of the South exposing as never before the appalling massacres and atrocities committed on all sides Elegantly written and blisteringly honest The Korean War is like the war it illuminates brief devastating and essential Praise for The Korean War A powerful revisionist history a sobering corrective The New York Times Worth reading This work raises the question of what Korea can tell us about the outlook for Iraq and Afghanistan Financial Times Well sourced and elegantly presented The Wall Street Journal *Korean War Comic Books* Leonard Rifas,2021-04-30 Comic books have presented fictional and fact based stories of the Korean War as it was being fought and afterward Comparing these comics with events that inspired them offers a deeper understanding of the comics industry America s forgotten war and the anti comics movement championed by

psychiatrist Fredric Wertham who criticized their brutalization of the imagination Comics both newsstand offerings and government propaganda used fictions to justify the unpopular war as necessary and moral This book examines the dramatization of events and issues including the war's origins germ warfare brainwashing Cold War espionage the nuclear threat African Americans in the military mistreatment of POWs and atrocities **A Short History of Medicine** F.
