The Communist Party of Bulgaria: Origins and Development, 1883-1936 Joseph Rothschild, 1972 **A Short History of Communism** Robert Harvey, 2004-11-08 A Short History of Communism tells the full story of the rapid rise and sudden death of a force that not so long ago might have taken over the world *The Jews of the Ottoman Empire and the Turkish Republic* Stanford J. Shaw, 2016-07-27 This book studies the role of the Ottoman Empire and Republic of Turkey in providing refuge and prosperity for Jews fleeing from persecution in Europe and Byzantium in medieval times and from Russian pogroms and the Nazi holocaust in the nineteenth and twentieth centuries It studies the religiously based communities of Ottoman and Turkish Jews as well as their economic cultural and religious lives and their relations with the Muslims and Christians among whom they lived **Revolution Administered: Agrarianism and Communism in Bulgaria** Nissan Oren, 1973 Study of the role of Bulgaria in the world communist system with particular reference to political aspects of economic integration and other forms of international cooperation with the socialist countries examines the historical aspects of the internal conflict of opposing political ideologies in respect of agrarian reform and industrialization and covers political leadership incl Of the communist political party the role of USSR nationalism foreign policy etc Bibliography pp 185 to 196 and references *Comintern Army* R. Dan Richardson, 2014-07-15 When Spain exploded into civil war in July 1936 a conflict whose roots were deep in the Spanish past became the arena for the violent political passions that divided Europe north of the Pyrenees Germany Italy and the Soviet Union intervened actively in the war using Spain as a testing ground for their military equipment and techniques and their political ideologies In this first in depth study of the politics of the International Brigades in the Spanish Civil War R Dan Richardson views the Brigades in the wider context of both the complex political military alignments of Loyalist Spain and the broader Soviet Comintern strategy during the Popular Front era While not denying the generous impulse that led many young men the world over to enlist in the cause of the Spanish Republic he sees the Brigades primarily as instruments of communist policy He argues that the directing force behind the enlistment training and deployment of the Brigades was the international communist organization a compelling example of how the ends of propaganda and politics took precedence over military objectives Using a wide array of sources in English Spanish French Italian and German and a thorough analysis of the Brigades own voluminous literary output Richardson clearly shows that the Brigades were a significant political ideological and propaganda instrument which was used effectively by the Comintern for its own purposes not only in Spain but on the larger world stage **Revolution Administered** Nissan Oren, 1973 Study of the role of Bulgaria in the world communist system with particular reference to political aspects of economic integration and other forms of international cooperation with the socialist countries examines the historical aspects of the internal conflict of opposing political ideologies in respect of agrarian reform and industrialization and covers political leadership incl Of the communist political party the role of USSR nationalism foreign

policy etc Bibliography pp 185 to 196 and references **Bulgaria, the Jews, and the Holocaust** Nadege Ragaru, 2023-10-24 During World War II even though Bulgaria was an ally of the Third Reich it never deported its Jewish community Until recently this image of the country as an heroic exception has prevailed despite the murder of almost all Jews living in Bulgarian occupied territories Nad ge Ragaru presents a riveting archival investigation of the origins and perpetuation of Bulgaria s heroic narrative restoring Jewish voices to the story Translated from the original French edition On publication this book is available as an Open Access eBook under the Creative Commons license CC BY NC ND **The Communist Party of Bulgari** Joseph Rothschild, Professor of Political Science and Associate of the Institute on East Central Europe Joseph Rothschild, 2011-07-01 **Communism in the World Since 1945** Susan K. Johnpoll, 1994 This is the last in an eight volume documentary history of the Communist Party of the United States of America This landmark collection by a noted authority on the American Left is the result of forty years of searching for pamphlets proclamations manifestos party reports and minutes of meetings in bookstores and archives all over the country Facsimilies of the originals are presented whenever possible Brief introductions and critical notes and explanations about the documents are provided with each of these rare and hard to find materials Volume VIII begins with a short introduction describing the documentary history and pointing to important sources of information about the Communist Party of the United States Documents are arranged chronologically and cover the period from 1945 to the present and the dissolution of the Party in this country **A Short History of Bulgaria** Stanley George Evans, 1960 Dimitrov of Bulgaria Charles A. Moser, 1979 Book title is of interest to those concerned with East European and Bulgarian history But it also has a broader appeal for instance to students of the Soviet conquest of Eastern Europe and the beginnings of the political component of the Cold War and to those concerned with such general questions as loyalty to political principle as opposed to loyalty to political party especially during a time of economic stress such as the early 1930 s Finally it recounts the dramatic story of an opposition leader in a country which dealt very brutally with such people and of an extraordinary man willing to risk his substance and even his life for the political ideals in which he believed Book jacket **Current History** , 1927 Roots of Hate William Brustein, 2003-10-13 William I Brustein offers the first truly systematic comparative and empirical examination of anti Semitism within Europe before the Holocaust Brustein proposes that European anti Semitism flowed from religious racial economic and political roots which became enflamed by economic distress rising Jewish immigration and socialist success To support his arguments Brustein draws upon a careful and extensive examination of the annual volumes of the American Jewish Year Books and more than 40 years of newspaper reportage from Europe s major dailies The findings of this informative book offer a fresh perspective on the roots of society s longest hatred **Bulgarian historical review** , 1980 Library Journal , 1959 **A**
