The Communists of Paris Bertall, 2020-03-30 *The Communists of Paris, 1871* Bertall, 1873 A superb series of plates depicting the communards of the 1871 insurrection an event welcomed by Marx as a glorious harbinger of a new society but referred to by Bertall here as that strange and disastrous Masquerade Included are images of the barricades the female petrol bombers les Pétroleuses a communist Zoave the Minister of War etc Bertall was editor of the *Pairs Soir* and editor and illustrator of the satirical *Grelot* during the commune **The communists of Paris, 1871 by Bertall, with explanatory text by an Englishman [signed J.E.]**. Charles Albert d'Arnoux, 1873 **The Communists of Paris, 1871** Bertall, 1873 A superb series of plates depicting the communards of the 1871 insurrection an event welcomed by Marx as a glorious harbinger of a new society but referred to by Bertall here as that strange and disastrous Masquerade Included are images of the barricades the female petrol bombers les Pétroleuses a communist Zoave the Minister of War etc Bertall was editor of the *Pairs Soir* and editor and illustrator of the satirical *Grelot* during the commune The Communists of Paris, 1871 Bertall, 1873 **"French Sculpture Following the Franco-Prussian War, 1870-80"** Michael Dorsch, 2017-07-05 French Sculpture Following the Franco-Prussian War 1870-80 investigates the role played by the trope of the strong woman fallen man in re-establishing morale among the French people following the Franco-Prussian War The study explores how certain French sculptors including Falguière, Merci Barrias and Rodin presented this recent history of defeat in commemorative monuments that increasingly dominated public space across France during the final decades of the nineteenth century Though it focuses on French nationalism and the commemoration of war or as is the case with the French following the Franco-Prussian War the commemoration of defeat this volume also examines shifts in gender roles in the latter half of the nineteenth century and the impact of military defeat on relations between the sexes The book probes the aesthetic discourse of the period concerning the merits of traditional allegorical sculpture versus new fangled realist sculpture in depicting modern life Drawing on extensive archival research Michael Dorsch gives a voice to the sculptures he discusses restoring these often ignored works to their proper place in history **The Communists of Paris, 1871** Bertall (pseud. of Charles Albert d'Arnoux.), 1874 **The Communists of Paris, 1871** Bertall Bertall, 2017-05-24 Excerpt from *The Communists of Paris 1871 Types Physiognomies Characters* The staff quarters of the Comité Central which Body having secretly fomented the Insurrection eventually assumed its direction is one which in itself requires little comment Here again may be noted the dressy get up of the Civilian Soldier raised so suddenly to his brief span of Power But to our Memory the Orderly in attendance is an equally faithful Type as HE whom the Colourist's brush has decked out in his gay but not incorrect attire The long hair untrimmed beard and bespectacled features Of him in the background are no less characteristic in their Way than the trimly brushed locks and ferocious mustachios Of the Officer in front The more intelligent of the Federates so far as mere brain designing Power may be reckoned occupied a middle place between the rank and file and those who oated or

were pushed to the surface. Generally speaking these were recruits of all ages from the Student quarters. With them the dishevelled beard and long waving hair were signs of their titular craft though Science or Literature may have owed them no debt save in the lowest stratum of Journalism. Some who were old enough had been Actors in the events of 1848 among whom indeed were not a few who lived upon the republican prestige of those days. And the younger ones were apt disciples of the traditions their Elders taught. Not impossibly is the turn Colenel in the foreground but a child or even a tool in the hands of him with the portfolio of papers. COMMUNISTS OF PARIS 1871 TYPES
1820-1882 Bertall, 2016-08-26 **Communists of Paris, 1871, types, physiognomies, character**. Bertall [ie. Charles Albert d'Arnoux], **The Communists of Paris, 1871** Charles Albert d'Arnould Bertall, 1874 **Unruly Women of Paris** Gay L. Gullickson, 2018-09-05. In this vividly written and amply illustrated book Gay L. Gullickson analyzes the representations of women who were part of the insurrection known as the Paris Commune. The uprising and its bloody suppression by the French army is still one of the most hotly debated episodes in modern history. Especially controversial was the role played by women whose prominent place among the Communards shocked many commentators and spawned the legend of the prostitute-leaders women who were accused of burning the city during the battle that ended the Commune. In the midst of the turmoil that shook Paris the media distinguished women for their cruelty and rage. The Paris Journal for example raved. Madness seems to possess them one sees them their hair down like furies throwing boiling oil furniture paving stones on the soldiers. Gullickson explores the significance of the images created by journalists memoirists and political commentators and elaborated by latter day historians and political thinkers. The prostitute-leader is the most notorious figure to emerge from the Commune but the literature depicts the Communardes in other guises too the innocent victim the scandalous orator the Amazon warrior and the ministering angel among others. Gullickson argues that these caricatures played an important role in conveying and evoking moral condemnation of the Commune. More important they reveal the gender conceptualizations that structured limited and assigned meaning to women as political actors for the balance of the nineteenth and well into the twentieth century.
