Community Child Health An Action Plan For Today Paperback:

Community Child Health Jean C. Fahey, John G. Heilman, Judith S. Palfrey, Sean Palfrey, 1995-10-30 Community Child Health is designed to orient physicians nurses social workers public health officers and allied professionals to the world of children and to help them devise practice styles and priorities in concert with the current needs of children Palfrey's central thesis is that society has lost sight of children and as a result we have done a very poor job of structuring the environment to nurture them as they grow Ironically communities are breaking apart just at the time when families need them the most leaving children vulnerable confused and isolated The health consequences include poor school performance behavioral problems injuries early sexuality drug and alcohol use weapons possession homicide and suicide The medical professions can have a major impact in reversing these social and health problems Palfrey has designed this book to equip such professionals with the conceptual frame data base and practical tips and tools that will result in improved results in the growth and development of children It is an advocate's manual a cookbook for the program planner and a guide for the child health professional seeking improvements in community child care
