Reconceptualizing the Role of Critical Dialogue in American Classrooms Amanda Kibler, Guadalupe Valdés, Aída Walqui,2020-11-19 Acknowledging teacher and student dialogue as key to student development this volume takes a critical perspective on notions of classroom participation extending previous scholarship to illustrate how critical dialogic pedagogies can promote equity and inclusivity In proposing and outlining the parameters of critical dialogic education the contributors to this volume document and discuss examples of classroom discourse practices that challenge the monolithic and uncritical discourse practices that traditionally silence minoritized students Chapters draw on a range of empirical studies and present multimodal data to consider aspects of teacher education classroom environments and curricular innovations which promote critical and dialogical student interaction civic engagement and linguistic versatility This book will be of interest to scholars postgraduate students and researchers working in the fields of language classroom discourse social justice and critical pedagogies as well as teacher educators and professional development leaders who work with classroom teachers

*Multilingual Learners and Academic Literacies* Daniella Molle, Edynn Sato, Timothy Boals, Carol A. Hedgpeth,2015-03-05 Shifting the discourse from a focus on academic language to the more dynamic but less researched

construct of academic literacies this volume addresses three key questions What constitutes academic literacy What does academic literacy development in adolescent multilingual students look like and how can this development be assessed What classroom contexts foster the development of academic literacies in multilingual adolescents The contributing authors provide divergent definitions of academic literacies and use dissimilar theoretical and methodological approaches to study literacy development Nevertheless all chapters reflect a shared conceptual framework for examining academic literacies as situated overlapping meaning making practices This framework foregrounds students participation in valued disciplinary literacy practices Emphasized in the new college and career readiness standards the notion of disciplinary practices allows the contributing authors to bridge the language content dichotomy and take a more holistic as well as nuanced view of the demands that multilingual students face in general education classrooms The volume also explores the implications of the emphasis on academic literacy practices for classroom instruction research and policy
