Community Leisure And Recreation:

Community Leisure and Recreation Planning Ken Marriott, John Tower, Katie McDonald, 2020-11-01 Community Leisure and Recreation Planning offers an up to date evidence based approach to planning community leisure and recreation facilities programs and services It introduces readers to key theory and best practice in the planning of effective leisure and recreation projects The book defines planning leisure recreation and other key concepts and explains why a thorough planning process is essential to achieving effective outcomes It presents a comprehensive integrative four phase model for undertaking leisure and recreation planning including pre planning planning research preparing a plan and implementing monitoring and evaluating the outputs and outcomes of a plan It provides a conceptual rationale for each component of the planning process a detailed explanation of the tools and techniques that can be used and extensive examples and international case study materials to demonstrate their use The principles and techniques explained in the book are applicable at a range of community levels from small individual sites to regions states and even countries This is an essential course text for all leisure and recreation courses and invaluable reading for academics practitioners stakeholders and students working in leisure and recreation planning events culture and sport *Community Leisure and Recreation* Les Haywood, 1994 This collection of essays on community leisure and recreation is divided into two sections Part 1 examines the nature and development of a community approach to the provision of leisure and recreation services and is mainly theoretical in its approach Part 2 examines critically the application of community approaches to leisure and recreation provision in specific contexts drawing upon the theoretical discussions of Part 1 as a means of analysis *Delivery of Community Leisure Services* James Frederick Murphy, Dennis R. Howard, 1977 *Community Parks and Recreation* Christopher R. Edginton, Sam Lankford, Rodney B. Dieser, Rodney D. Dieser, Christopher L. Kowalski, 2018-03-02 Over the past 150 years communities have focused their attention on enhancing quality of life health and wellness and the greening of their environments through the provision of park and recreation services and amenities The greening and beautification of communities as well as tying recreation services to clean economic development provide a direct connection between the work public park and recreation departments and community development This text asks students to consider important questions such as What are the most important elements of a livable community In what type of community they would like to live How important are building social connections amongst family friends neighbors colleagues and others How are such relationships developed and sustained What types of organizations are more likely to create such opportunities for building ones social capital What agencies in the community are concerned with addressing environmental degradation and on the flipside enhancing community beautification and greening All of these questions point toward the importance of public parks and recreation and its community development efforts *Community Parks Recreation An Introduction* is organized into three major parts Part I focuses on the History and Philosophical Foundations of Public Parks and Recreation The major intent of

this section is to provide an underpinning to assist the student in understanding the major dimensions of public parks and recreation and its impact socially culturally environmentally and economically Part II of the book focuses on Managerial and Administrative Aspects of Park and Recreation Systems This section of the book provides practical strategies for administrative activities planning marketing budgeting engaging the public and land acquisition Part III of the book is focused on The Public Sector Service Provision in Parks and Recreation This section of the book focuses on program and service delivery including chapters dealing with programming for community recreation youth programming programming for adults and seniors programming special events and community based therapeutic recreation The authors of this text all share a deep interest in community parks and or recreation services At various times in their careers they have have served as playground leaders recreation specialists youth leaders community therapeutic recreation specialists recreation center directors recreation supervisors and or directors of parks and recreation The authors hold a strong commitment to community parks and recreation that is clearly reflected in this new text

Leisure United States. Department of Housing and Urban Development, United States. Office of Community Planning and Development, 1976 Recreation: an Essential Community Service Community Welfare Council (San Antonio, Tex.), 1954 Community Development Erin Sharpe, Heather Mair, Felice Yuen, 2016-05-31 This book takes up a range of factors affecting the relationship between community development and recreation planning assumptions and structures class and racial influences on engagement processes grassroots approaches critical consciousness through young adult literature questions about the relationship between community and economic development and issues of inclusion social justice and community empowerment In a world of diversity and fluidity the challenge for leisure recreation practitioners and scholars becomes more complex and potentially exciting if we can become comfortable with uncertainty and ambiguity The term community development in a globalized and diverse world is problematic and carries with it a history of colonialism Western expansion and hegemony and neo liberal agendas in addition to being situated in a changing contentious world with nation states and minority groups struggling over control This volume initiates a discussion about the ways leisure sport and tourism might conceptualize the relationship with community development The volume builds upon existing research and programs extends or reframes theoretical approaches questions and posits alternative frameworks for playing with the intersection of community development leisure sport and tourism Its strength and relevance comes from the authors willingness to seriously and playfully explore the limits implications and variations of community development relevant for recreation and leisure studies as well as construct alternative spaces for leisure practices Whether it is reconceiving planning as a human arena potentially facilitating how an individual comes to understand the self and communities an exploration of how whiteness and privilege colour community development and recreation conceiving of a compassionate pedagogy for community and recreation facilitation or returning to young adult literature and storytelling for knowledge this collection interweaves current theories ethical frameworks

practices and critiques relevant to recreation and leisure practitioners and scholars Such a collection helps orient leisure practice and scholarship within larger international and North American currents of diversity struggles over Indigenous rights and standing economic and global agendas political agendas that use leisure as power over or exclusion of others the value of leisure beyond social and economic benefits and the hegemonic commitment to an autonomous self initiating individual self As the voices herein unfold spaces within dominant and status quo approaches in governments and academia there are some voices yet to be heard

Leisure Education, Community Development, and Populations with Special Needs Atara Sivan, Hillel Ruskin, 2000 This book is a result of an output of a Commission of the World Leisure and Recreation Association WLRA to examine the role of leisure and education for leisure activities among people with special needs living in the community requiring social or health services outside of the hospital It provides a conceptual and practical framework for understanding the emphasis on special populations It will also serve the reader as a foundation for developing models and programs for leisure education within community settings
