The Government of Beans Gregg Hetherington, 2020-05-15 The Government of Beans is about the rough edges of environmental regulation where tenuous state power and blunt governmental instruments encounter ecological destruction and social injustice At the turn of the twenty first century Paraguay was undergoing dramatic economic political and environmental change due to a boom in the global demand for soybeans Although the country's massive new soy monocrop brought wealth it also brought deforestation biodiversity loss rising inequality and violence Gregg Hetherington traces well meaning attempts by bureaucrats and activists to regulate the destructive force of monocrops that resulted in the discovery that the tools of modern government are at best inadequate to deal with the complex harms of modern agriculture and at worst exacerbate them The book simultaneously tells a local story of people plants and government a regional story of the rise and fall of Latin America's new left and a story of the Anthropocene writ large about the long term paradoxical consequences of destroying ecosystems in the name of human welfare

Contraband Cultures Jennifer Cearn, Charles Beach, 2024-09-17 Contraband Cultures presents narratives representations practices and imaginaries of smuggling and extra legal or informal circulation practices across and between the Latin American region including the Caribbean and its diasporas Countering a fetishizing and hegemonic imaginary

MANIFESTACIONES PREPOLITICAS DE MALESTAR CAMPESINO

REGIÓN GUAIRÁ - CAAZAPÁ Ramón FOGEL, Sandra VALDEZ, Blas DUARTE, Carlos Anibal PERIS, 2025-04-22 El presente libro es una obra muy bien lograda de la interdisciplinariedad de las ciencias sociales ya que desde la sociología a historia se construye una historia social crítica de los departamentos de Caazapa y del Guairá teniendo como objeto de estudio a un actor subalterno como lo es el campesinado Las respuestas prepolíticas del campesinado a los cambios sociales introducidos por la modernidad de posguerra construyen una forma de ver la ciencia social que no subestima ni es condescendiente sino que da

agencia y protagonismo a actores sociales largamente postergados dentro de la historiografía paraguaya incluso con la reproducción de testimonios mediante la historia oral Esperamos que esta contribución pueda animar a nuevos abordajes y nuevas producciones que ayuden a ampliar los conocimientos de la historia social paraguaya *The Struggle for Land in Paraguay* Michele Catherine Glode,1998 *British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain* ,1995 *The Encyclopedia Americana* ,2000 **Political Science Abstracts** ,1994-11-30 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available *Ethnicity, Property, and the State* Elizabeth M. Rogers,2001 [The Cumulative Book Index](#) ,1995 A world list of books in the English language **The Economic Anthropology of the State** Elizabeth M. Brumfiel,1994 This work examines the scope rationality and limits of state intervention in the economy drawing upon studies of tribute based states of antiquity and modern capitalist states In examining how state personnel intervene in the economy this book draws three conclusions about the economic anthropology of the state First there is a great range of variation in the way that states intervene in the economy Second the economic impact of the state extends far beyond its role in organising or managing production and distribution Finally understanding the economic anthropology of the state requires an awareness of the strength of powerholders outside the state especially those who are often regarded as powerless **Encyclopedia Americana** Scholastic Library Publishing,2006
