Catalogue of the Library of the Peabody Institute of the City of Baltimore ... George Peabody Library, 1892 *P. Terenti Afri Comoediae* Terence, 1910 **Catalogue of the Library of the Peabody Institute of the City of Baltimore**, 1883 *The Cambridge Companion to Roman Comedy* Martin T. Dinter, 2019-04-04 Provides a comprehensive critical engagement with Roman comedy and its reception presented by leading international scholars in accessible and up to date chapters *The Lyon Terence* Giulia Torello-Hill, Andrew J. Turner, 2020-10-20 In *The Lyon Terence* Giulia Torello Hill and Andrew J Turner take an unprecedented interdisciplinary approach to map out the influence of late antique and medieval commentary and iconographic traditions over this seminal edition of the plays of Terence published in Lyon in 1493 and examine its legacy The work had a profound impact on the way Terence's plays were read and understood throughout the sixteenth century but its influence has been poorly recognised in modern scholarship The authors establish the pivotal role that this book and its editor Badius played in the revitalisation of the theoretical understanding of classical comedy and in the revival of the plays of Terence that foreshadowed the establishment of early modern theatre in Italy and France *Perv* Jesse Bering, 2013-10-08 As a sex writer Jesse Bering is fearless and peerless Dan Savage You are a sexual deviant A pervert through and through We may not want to admit it but as the award winning columnist and psychologist Jesse Bering reveals in *Perv* there is a spectrum of perversion along which we all sit Whether it's voyeurism exhibitionism or your run of the mill foot fetish we all possess a suite of sexual tastes as unique as our fingerprints and as secret as the rest of the skeletons we've hidden in our closets Combining cutting edge studies and critiques of landmark research and conclusions drawn by Sigmund Freud Alfred Kinsey and the DSM 5 Bering pulls the curtain back on paraphilias arguing that sexual deviance is commonplace He explores the countless fetishists of the world including people who wear a respectable suit during the day and handcuff a willing sexual partner at night But he also takes us into the lives of erotic outliers such as a woman who falls madly in love with the Eiffel Tower a pair of deeply affectionate identical twins those with a particular penchant for statues and others who are enamored of crevices not found on the human body Moving from science to politics psychology history and his own reflections on growing up gay in America Bering confronts hypocrisy prejudice and harm as they relate to sexuality on a global scale Humanizing so called deviants while at the same time asking serious questions about the differences between thought and action he presents us with a challenge to understand that our best hope of solving some of the most troubling problems of our age hinges entirely on the amoral study of sex As kinky as it is compassionate illuminating and engrossing *Perv* is an irresistible and deeply personal book I can't promise you an orgasm at the end of our adventure Bering writes but I can promise you a better understanding of why you get the ones you do *P. Terentii Afri comoediae*, ed. by T.L. Papillon. *Andria, Eunuchus*. [2 vols. Vol.1 is entitled: *P. Terentii Afri Andria*]. Publius Terentius (Afer), 1875 *P.
