Compabion Our Last Great Hope:

Our Last Great Hope Ronnie Floyd, 2011-09-06 Every day we encounter scores of people headed to an eternity without God What will it take to wake us up to their desperate need for a Savior While the earth s time clock ticks away well meaning Christians go to church pay their tithes and pray for foreign missionaries going through the motions of Christian life as millions face an eternity without God If heaven is indeed for real and only those who have put their faith in Christ will be given entrance shouldn t we be making the most of every opportunity to share the Gospel the last great hope for all the world Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost He says God is calling us to an awakening regarding his most urgent command found in Matthew 28 19 to go and make disciples of all nations This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief Jesus Christ If the Great Commission was so important to Jesus why have we relegated it to casual discussions and an annual campaign in our churches An awakening has never been more needed In this challenging book Pastor Floyd discusses key imperatives such as Get honest with yourself Wake up your church Understand the urgency Talk Jesus daily Reach the next generation now Minimize structure Think like never before

America: The Last Best Hope (Volume I) William J. Bennett, 2007-04-15 America how well do you know your history Who quelled a coup d etat by putting on a pair of reading glasses Which U S senator was nearly caned to death on the Senate floor Which first lady refused to serve alcohol in the White House What famous inventor was called to find the assassin s bullet in President Garfield s back Which successful candidate for president insisted on telling the truth about his sex scandal Which beloved ex president raced with death and poverty to write his best selling memoirs and which famous humorist came to his rescue Which president carefully read the trial notes of 303 condemned Sioux warriors and spared all but 38 from the hangman s noose Which four eyed future president beat up a drunken bully in a saloon In his Farewell Address Ronald Reagan said if we forget what we have done we will forget who we are This book written by one of Reagan s most loyal lieutenants responds to Reagan s heartfelt call for an informed patriotism We all need to know more about this land we love In this gripping tale of a nation our country s past comes alive Here is the story of those we chose to lead us and what they did with the awesome power we gave them Join Bill Bennett for the great adventure America s teacher will lead you on a voyage of discovery What others are saying William J Bennett artfully and subtly makes connections between our past and current events reminding us that we are intimately and immediately connected to the extraordinary Americans who have bestowed upon us our great heritage The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I ve read in a very long time It s silly to compare great works of history to great novels but this book truly is a page turner Prepare to have your faith in hope for and love of America renewed Brad Miner American Compass The Role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s

wonderfully readable book is so important He puts our nation s triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it s useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life For too long Americans have been looking for a history of our country that tells the story of America s triumphs as well as its tragedies Now Bill Bennett has come forward with America The Last Best Hope which tells the story fairly and fully from 1492 to 1914 Americans who have been reading recent biographies of the Founding Fathers will love this book Michael Barone US News World Report Bill Bennett s book will stand as perhaps the most important addition to American scholarship at this the start of the new century For the past fifty years American historians have either distorted American history or reduced it to a mess of boring indictments of our cultural and political heritage With this book Bennett offers to Americans young and old an exciting and enjoyable history of what makes America the greatest nation on earth Brian Kennedy president The Claremont Institute

America: The Last Best Hope (Volume II) William J. Bennett, 2008-04-06 Respected scholar William Bennett reacquaints America with its heritage in the second volume of America The Last Best Hope Volume II This engaging narrative slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print Bennett brings American history to life with stories such as when Time magazine named Hitler man of the year Eisenhower s bold actions documenting the horrors of the Holocaust Nixon s comic opera uniforms for White House guards Reagan s most famous example of just saying No From upheavals of the Great Depression and WWII to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s wonderfully readable book is so important He puts our nation s triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it s useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life

The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I ve read in a very long time It s silly to compare great works of history to great novels but this book truly is a page turner Brad Miner American Compass This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School Library Journal **America - The Last Best Hope** William J.
