ManpowerGroup recognizes that in the Human Age it is people that power the world of work and people are capable of much more when they collaborate to achieve their goals. Leaders looking to build this type of a Collaborative Organization should read this book. Denis Edwards, Senior Vice President, Global Chief Information Officer, ManpowerGroup: A valuable strategic guide for organizations looking to tap the power of new social and collaborative tools to create more connected, engaged, and successful organizations. Ed Coleman, Chairman and CEO, Unisys Corporation: This book gets to the very real issues that companies of all sizes in all industries continue to face. Social and collaborative tools are certainly part of the picture, but Morgan goes beyond this to look at true enterprisewide collaboration that is inextricably tied to business strategy. Karen Quintos, Senior Vice President and Chief Marketing Officer, Dell: The rise of social and collaborative technologies is driving a new type of business conversation. Morgan provides valuable insights on how companies can evaluate today's options and implement successful strategies and solutions to seize this opportunity. Paul Segre, President and CEO, Genesys and former EVP, Alcatel Lucent: Most business leaders understand how critical collaborative tools are to the success of their companies. What they need now is a guide based on hard data and practical experiences that shows how to put those tools to work. Morgan fills that need with this book. Erik Brynjolfsson, coauthor, *Race Against the Machine* and *Wired for Innovation*, and Chair of the MIT Sloan Management Review: The value of collaboration is intuitive; we accomplish more, faster, better when we work as a team and play well with others. But collaboration at the scale and pace of modern enterprise isn't simple, easy, or straightforward. Harnessing the power of organizational collaboration requires the right mix of art and science, and an expert coach would surely be helpful. *The Collaborative Organization* provides a plan, real-world lessons, insights, and expertise born of broad-based research, tempered by the rich and diverse experience of early pioneers. Mark Yolton, SVP of SAP: A fresh, honest, and actionable guide to internal collaboration. *The Collaborative Organization* delivers practical insight into what it takes to successfully launch, maintain, and evolve the initiatives that are designed to address collaboration challenges unique to your business. A valuable read. Nathan Bricklin, SVP and Head of Collaboration Strategy, Wells Fargo: About the Book. While there are few guarantees in business these days, there is one simple truth we can all agree upon: Companies that embrace social and collaborative technologies and strategies stand the best chances of succeeding; those who don't will fail. Still, the question remains: How do you get the most out of these world-changing tools, and how do you develop strategies to succeed? Jacob Morgan, the cofounder of Chess Media Group, says that you have to start where it all begins: with your employees. And in *The Collaborative Organization*, he shows how to do it. In this nuts-and-bolts guide, Morgan provides the information, insight, and strategic framework you need to use emergent collaborative software behind your company's firewall to solve business problems, unearth new opportunities, and drive innovation. *The Collaborative Organization* takes you from the starting gate to the finish line of creating and executing a profit-driving, growth-focused strategy that leverages the power of social and collaborative technologies and strategies in your company. Learn all there is to know about using collaborative technology to

transform your business Avoiding risks that come with making social technology part of your organizational DNA Choosing the right software and technologies for your specific needs Getting every employee on board Assessing your organization s collaborative readiness Building teams to lead collaboration Motivating employees to make social technologies part of their everyday routine Measuring and sustaining the success of your strategy Dozens of case studies and contributions from companies from around the world such as the Children s Hospital the U S Department of State UPS Vanguard and Pabst Brewing Co clearly illustrate what works what doesn t and why Whether your company has 100 employees or 100 000 The Collaborative Organization gives you what you need to get everyone on board to foster lasting success and growth in today s uncertain but exciting business landscape
