The Content Trap Bharat Anand, 2016 Harvard Business School Professor of Strategy Bharat Anand presents an incisive new approach to digital transformation that favors fostering connectivity over focusing exclusively on content Companies everywhere face two major challenges today getting noticed and getting paid To confront these obstacles Bharat Anand examines a range of businesses around the world from The New York Times to The Economist from Chinese Internet giant Tencent to Scandinavian digital trailblazer Schibsted and from talent management to the future of education Drawing on these stories and on the latest research in economics strategy and marketing this refreshingly engaging book reveals important lessons smashes celebrated

myths and reorients strategy Success for flourishing companies comes not from making the best content but from recognizing how content enables customers connectivity it comes not from protecting the value of content at all costs but from unearthing related opportunities close by and it comes not from mimicking competitors best practices but from seeing choices as part of a connected whole Digital change means that everyone today can reach and interact with others directly We are all in the content business But that comes with risks that Bharat Anand teaches us how to recognize and navigate Filled with conversations with key players and in depth dispatches from the front lines of digital change The Content Trap is an essential new playbook for navigating the turbulent waters in which we find ourselves **My 50 BEST Places for DIGITAL NOMADS** plzLOOK plzLOOK Publishing,2020-06-23 YOUR 50 BEST How many times have you seen an article or read a blog post or book about the 50 BEST DIGITAL NOMAD something or other and thought to yourself no those wouldn't be on MY list The articles also often miss out the important stuff like do you need a reservation or critically is there free fast wi fi The trouble with other people's lists is that they aren't YOUR lists and don't fit YOUR criteria of best or maybe it's simply that you've already been there done that and are looking for something new When you're with a group of likeminded people who share your passion for the laptoplifestyle and they start telling their stories about their experiences and places they have found you think I want to go there do that BUT then a short while later you think to yourself what and where was that place again Maybe there is an app for that but a simple notebook is far more convenient for you to flick through This handy little 4x6 notebook journal is ready for YOU anywhere and anytime you need it keep it in your pocket purse bag backpack wherever just don't leave home without it Contains 50 blank double page templates 100 pages total with a few prompts like Where What's there eg co working space coffee shop hotel lobby business hub etc Best time of the day or year to go and when to avoid Is a reservation needed Are there any charges Is there a time limit on your stay Is there free wi fi How fast is the wi fi What other facilities are there Travel routes Accommodation nearby Where what to eat Things to see and do along the way Who told you about it and where can you find more info all to remind you to ask the right questions find out the info and get recommendations on the spot The template pages are numbered and there is a blank index at the back for you to fill in so that you can quickly find the info you are looking to add to or pass on to other people when comparing notes and sharing your own stories Start compiling YOUR VERY OWN 50 BEST list of nomad friendly spots today I hope you find it as useful as I do Please take a look at the rest of the 50 BEST series by clicking on the plzLOOK Publishing link at the top of the page under the notebook title we are constantly adding new handy notebooks to the series to cover every possible personal passion **Aim to Wander** Ambreen Ali,2018 A beachside house in Bali Indonesia A smoky cafe in Belgrade Serbia A tapas bar in Valencia Spain These all have served as remote workplaces for Bryant Burnheimer a software project manager who's among the growing number of digital nomads professionals who travel the world laptop in tow working from different destinations Some work as full time remote employees staying in one location for several months or even a year

Others freelance hopping from project to project as they move among destinations Those who ve made the most of digital nomad opportunities share their hard earned insights
