**Innovation and Entrepreneurship in the Public Sector** Wendy D. Chen, David B. Audretsch, 2025 Entrepreneurship extends beyond startups and technological innovations Most entrepreneurship literature omits the initiatives that are prioritized in the public sector Likewise much public administration literature does not apply an entrepreneurial lens to the examination of the public sector To that point a central theme of this book is the argument that entrepreneurship and innovation both currently and have previously taken place in the public sector although their focus differs from their private sector counterparts The chapter sets the stage for the remainder of the book providing the contexts in which to examine the government's role in innovation and being entrepreneurial in its efforts to address social ills

Provided by publisher **Where Have All the People Gone?** Rainer Gruessner, 2023-10-13 This poignant book delves into the profound impact of the COVID 19 pandemic on New York City aptly known as the Capital of the World Divided into three compelling parts it unravels the harrowing narrative through text and captivating imagery In the first part readers are immersed in a comprehensive chronicle of the pandemic capturing its relentless grip on the city and its inhabitants It delves into the multifaceted consequences that unfolded encompassing the devastating toll on healthcare the economy culture and the collective psyche of New York City This section serves as a somber reflection on the overwhelming challenges faced by the city painting a vivid picture of the trials and tribulations endured The second part presents a surrealistic photographic testimony allowing readers to witness the haunting transformation of New York City during the COVID lockdown Through
