Asia The 5 Minute Healer Mary Capone, Janet Rupp, 2002 The 5 Minute Healer is targeted to the millions of Americans looking for positive ways to navigate today's accelerated world. The authors have mined ten time-tested healing traditions to provide simple but effective techniques for those in search of quick solutions. Unlike other self-help books, this book covers a range of healing disciplines: sound therapy, yoga, color therapy, aromatherapy, breath meditation, angels, chakras, prayer, and positive thinking and the subconscious mind. Each chapter offers a brief introduction to its subject followed by simple to follow step-by-step instructions that make these age-old healing formulas available to everyone. The 5 Minute Healer could not be more timely. Americans everywhere are constantly on the go. Anxiety, insomnia, chronic fatigue, autoimmune disease, depression, and other stress-related diseases have become as familiar as the common cold. Tranquilizers along with anti-anxiety and anti-depressant medications account for more than forty percent of the written prescriptions in the U.S. each year. There is a better way. Backed by years of research and practical application, the authors show that with just a few moments taken each day, these time-proven healing techniques can have an enormous impact on our quality of life. With its humor and disarming informal style, The 5 Minute Healer will appeal to a wide group of readers from bankers to bakers and from teachers to technicians. This highly accessible and pragmatic book is a must-read for a nation in a hurry.
