*I Am Co-Creator* Mabelle Wils, 2016-10-31 There were 2 people in my life that I was ready to die for One was my dad When he was sick I told myself that if he needed a heart transplant Id kill myself for him to have my heart so he could continue on living The other person was my baby brother Even though I had a sister a year younger than me when my brother was born 4 years after me I became really close to him Close

to him to the point that I wouldve given my life away so he could continue on living Here is what I have learnt with all the love I have for my dad he passed away when his time came With all the love I have for my baby brother he decided to follow the recommendation of a church to no longer interact with me SO the lesson is I can and will never be able to save someone My life is sacred and is to be lived by me fully Eternally I am the master of my own destiny no one else is In the same way I am not the master of anyone elses destiny Being aware of this I am choosing to step away and let everyone be the MASTER of their own DESTINY
